NEWS RELEASE

Plumas Bank Redding Branch Approved

2007-04-12

QUINCY, CA -- (MARKET WIRE) -- 04/12/07 -- Plumas Bank (NASDAQ: PLBC) today announced that its application to establish a commercial bank branch in Redding, California has been approved by the FDIC and other regulatory authorities. The temporary office, located at 1320 Yuba Street, Suite 104, will open in early June and the permanent office is expected to open in the fall. Experienced banker and long-time resident of Redding, Elizabeth Gowen, has been hired as vice president and branch manager of the Company's thirteenth full-service office.

Doug Biddle, president and chief executive officer of the bank, commented, "After carefully reviewing the area, it seemed only natural to direct our growth toward a community with a dynamic and vibrant business economy. Redding has been growing rapidly but still maintains a real sense of community; this mirrors our own business philosophy. It's a perfect fit for Plumas Bank. We plan to be a valuable asset to the Redding community."

Founded in 1980 and with assets of over $470 million, the Bank currently operates twelve offices throughout Plumas, Lassen, Sierra, Shasta, Modoc, Placer, and Nevada counties in California and a commercial lending office located in Reno, Nevada. Plumas Bank is known throughout Northeastern California for its personalized service, community orientation and focus on lending to small and growing businesses. Recently, it was named a Super Premier Performing Bank for 2007 by the nationally recognized consulting firm Findley & Associates.
