NEWS RELEASE

WesBanco Provides Extended Banking Hours and Offers Flood Relief Loan Program

2004-09-20

(Wheeling, WV)- In an effort to assist West Virginia, Ohio and Pennsylvania residents affected by the recent flooding, WesBanco officials announced extended banking hours at select locations and a Flood Relief Loan Program.

“The flooding over this past weekend caused significant damage and created hardship for our customers, employees, neighbors and friends,” said Paul M. Limbert, President & CEO of WesBanco, Inc. “Many of our offices in the Upper Ohio Valley and our Marietta, Ohio office sustained significant water damage. As a result many of our locations will remain closed until further notice. Those include Wellsburg, New Martinsville, Woodsdale, Wheeling Island, Benwood, Pine Grove and Marietta. Offices closed today only and expected to open tomorrow include the downtown Wheeling Bank Plaza drive-n and the Elm Grove Main office and drive-in. We will offer extended hours in most Wheeling area offices that remain open to accommodate our customers and insure the safety and health of our employees and customers as we assess the extent of the damage to our locations. Offices that remain fully open include Weirton, Follansbee, Elm Grove Auto Bank, Centre Wheeling, McMechen, Moundsville and all eastern Ohio locations except for Marietta,” Limbert said.

Mr. Limbert went on to say that the only WesBanco ATMs adversely affected by flooding that are not available include Woodsdale, Benwood, Wheeling Island Gaming Resort and the Wheeling Island Convenient.

WesBanco Flood Program

“Over the years we have witnessed the strength and resolve of area residents and as we supported our local communities with banking programs, Storm Damage Loan Programs, and now a Flood Relief Loan Program. I am pleased that WesBanco can provide assistance in the clean up efforts of our local communities and to those residents and small business owners who have suffered damages in the recent flooding,” Limbert said.

Qualified residents and business owners can apply immediately for a 5% APR fixed rate loan that can be repaid over a maximum 5-year period. Eligible applicants can borrow up to $5,000 per residence or business for any improvements or other items needed as a result of the flooding.

Applications for Flood Relief Loans are now being taken by telephone or in person at any WesBanco location currently open for business.
