Sueltman comes to Sonoco from Honeywell Electronic Materials, Sunnyvale, California, where he most recently served as vice president - global supply chain management. He has served in a variety of information systems, manufacturing, material management, marketing and supply chain management positions in various Honeywell businesses.

Sueltman is a 1968 graduate of the University of Illinois, Urbana, with a B.A. degree in Mathematics.

"We are delighted to have someone with Terry's extensive supply chain management experience join our Sonoco team as head of purchasing and logistics. These functions are vital to meeting our aggressive productivity improvement commitment and to our growing supply chain management component of our packaging services business," said DeLoach.

Sonoco, founded in 1899, is a $2.7 billion manufacturer of industrial and consumer packaging products and provider of packaging services, with approximately 295 operations in 33 countries serving customers in 85 nations. For more information about the Company, visit our website at www.sonoco.com.
