INR Expands Footprint in Core Utica Oil Window

2024-02-26

On Monday, February 26, 2024, the Ohio Oil and Gas Land Management Commission awarded a bid to Infinity Natural Resources, LLC to lease two parcels of land and drill in Salt Fork State Park in Guernsey County, Ohio.

“We are honored and excited to have been awarded these leases. We recognize the responsibility entrusted to us by the community, the ODNR and other stakeholders in Ohio. It is a privilege to live, work and call this region home. We place the highest priority on safety and environmental protection, and are fully committed to operating with transparency, accountability, and respect. As the process moves forward, we look forward to working together with local stakeholders to strengthen the community and economy across the Guernsey County region.”
