Six Flags Executive Elected to IAAPA Board

September 27, 2022

ARLINGTON, Texas--(BUSINESS WIRE)-- Six Flags Entertainment Corporation (NYSE: SIX), the world's largest regional theme park company and the largest operator of waterparks in North America, today announced that Jason Freeman, Corporate Vice President of Operations, Public Safety, Engineering & Maintenance, has been elected to the International Association of Amusement Parks & Attractions (IAAPA) Board of Directors.

"This recognition is a testament to Six Flag's leadership position in the industry for safety and innovation, which is the cornerstone of everything we do" said Selim Bassoul, President and CEO. "Jason's work has directly led to Six Flags becoming the first theme park company to be accredited as Certified Autism Centers at all its properties, and to the development of a revolutionary new restraint harness that allows access to all our rides for guests with physical disabilities. While a visit to a theme park is already one of the safest forms of entertainment, we as a company spend our greatest amount of time, talent and resources to make an incredibly safe industry even safer."

Mr. Freeman has been involved with IAAPA since 1988 and has participated in the IAAPA North America Safety, Global Safety, and Governance Relations Committees. He is currently the Global Chairman of the Security Committee of IAAPA, and received the 2021 IAAPA Meritorious Service Award. He has been elected to serve as a Facility Member Director of IAAPA from 2023-2025.
