# Safe Harbor and Non-GAAP Disclosures

## PECO's Safe Harbor Statement

This presentation contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. The Company intends such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 and includes this statement for purposes of complying with the safe harbor provisions. Such forward-looking statements can generally be identified by the Company's use of forward-looking terminology such as "may," "will," "expect," "intend," "anticipate," "estimate," "believe," "continue," "seek," "objective," "goal," "strategy," "plan," "focus," "priority," "should," "could," "potential," "possible," "look forward," "optimistic," or other similar words. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this presentation. Such statements include, but are not limited to (a) statements about the Company's plans, strategies, initiatives, and prospects, (b) statements about the Company's underwritten incremental unlevered yield, and (c) statements about the Company's future results of operations, capital expenditures, and liquidity. Such statements are subject to known and unknown risks and uncertainties, which could cause actual results to differ materially from those projected or anticipated, including, without limitation: (i) changes in national, regional, or local economic climates; (ii) local market conditions, including an oversupply of space in, or a reduction in demand for, properties similar to those in the Company's portfolio; (iii) vacancies, changes in market rental rates, and the need to periodically repair, renovate, and re-let space; (iv) competition from other available shopping centers and the attractiveness of properties in the Company's portfolio to its tenants; (v) the financial stability of the Company's tenants, including, without limitation, their ability to pay rent; (vi) the Company's ability to pay down, refinance, restructure, or extend its indebtedness as it becomes due; (vii) increases in the Company's borrowing costs as a result of changes in interest rates and other factors; (viii) potential liability for environmental matters; (ix) damage to the Company's properties from catastrophic weather and other natural events, and the physical effects of climate change; (x) the Company's ability and willingness to maintain its qualification as a REIT in light of economic, market, legal, tax, and other considerations; (xi) changes in tax, real estate, environmental, and zoning laws; (xii) information technology security breaches; (xiii) the Company's corporate responsibility initiatives; (xiv) loss of key executives; (xv) the concentration of the Company's portfolio in a limited number of industries, geographies, or investments; (xvi) the economic, political, and social impact of, and uncertainty relating to, pandemics or other health crises; (xvii) the Company's ability to re-lease its properties on the same or better terms, or at all, in the event of non-renewal or in the event the Company exercises its right to replace an existing tenant; (xviii) the loss or bankruptcy of the Company's tenants; (xix) to the extent the Company is seeking to dispose of properties, the Company's ability to do so at attractive prices or at all; and (xx) the impact of tariffs and global trade disruptions on the Company, its tenants, and consumers, including the impact on inflation, supply chains, and consumer sentiment. Additional important factors that could cause actual results to differ are described in the filings made from time to time by the Company with the SEC and include the risk factors and other risks and uncertainties described in the Company's 2024 Annual Report on Form 10-K, filed with the SEC on February 11, 2025, as updated from time to time in the Company's periodic and/or current reports filed with the SEC, which are accessible on the SEC's website at [www.sec.gov](http://www.sec.gov). Therefore, such statements are not intended to be a guarantee of the Company's performance in future periods. Except as required by law, the Company does not undertake any obligation to update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.

## Non-GAAP Disclosures

The Company presents Same-Center NOI as a supplemental measure of its performance. The Company defines NOI as total operating revenues, adjusted to exclude non-cash revenue items, less property operating expenses and real estate taxes. For the three and nine months ended September 30, 2025 and 2024, Same-Center NOI represents the NOI for the 280 properties that were wholly-owned and operational for the entirety of both calendar year periods being compared. The Company believes Same-Center NOI provides useful information to its investors about its financial and operating performance because it provides a performance measure of the revenues and expenses directly involved in owning and operating real estate assets and provides a perspective not immediately apparent from net income (loss). Because Same-Center NOI excludes the change in NOI from properties acquired or disposed of during both calendar years being compared, it highlights operating trends such as occupancy levels, rental rates, and operating costs on properties that were operational for all comparable periods. Other REITs may use different methodologies for calculating Same-Center NOI, and accordingly, PECO's Same-Center NOI may not be comparable to other REITs. Same-Center NOI should not be viewed as an alternative measure of the Company's financial performance as it does not reflect the operations of its entire portfolio, nor does it reflect the impact of general and administrative expenses, depreciation and amortization, interest expense, other income (expense), or the level of capital expenditures and leasing costs necessary to maintain the operating performance of the Company's properties that could materially impact its results from operations. Nareit FFO is a non-GAAP financial performance measure that is widely recognized as a measure of REIT operating performance. The National Association of Real Estate Investment Trusts ("Nareit") defines FFO as net income (loss) computed in accordance with GAAP, excluding: (i) gains (or losses) from sales of property and gains (or losses) from change in control; (ii) depreciation and amortization related to real estate; and (iii) impairment losses on real estate and impairments of in-substance real estate investments in investees that are driven by measurable decreases in the fair value of the depreciable real estate held by the unconsolidated partnerships and joint ventures. Adjustments for unconsolidated partnerships and joint ventures are calculated to reflect Nareit FFO on the same basis. The Company calculates Nareit FFO in a manner consistent with the Nareit definition. Core FFO is an additional financial performance measure used by the Company as Nareit FFO includes certain non-comparable items that affect its performance over time. The Company believes that Core FFO is helpful in assisting management and investors with the assessment of the sustainability of operating performance in future periods, and that it is more reflective of its core operating performance and provides an additional measure to compare PECO's performance across reporting periods on a consistent basis by excluding items that may cause short-term fluctuations in net income (loss). To arrive at Core FFO, the Company adjusts Nareit FFO to exclude certain recurring and non-recurring items including, but not limited to: (i) depreciation and amortization of corporate assets; (ii) changes in the fair value of the earn-out liability; (iii) adjustments related to our investments in unconsolidated joint ventures; (iv) gains or losses on the extinguishment or modification of debt and other; (v) other impairment charges; (vi) transaction and acquisition expenses; and (vii) realized performance income. Nareit FFO and Core FFO should not be considered alternatives to net income (loss) under GAAP, as an indication of the Company's liquidity, nor as an indication of funds available to cover its cash needs, including its ability to fund distributions. Core FFO may not be a useful measure of the impact of long-term operating performance on value if the Company does not continue to operate its business plan in the manner currently contemplated. Accordingly, Nareit FFO and Core FFO should be reviewed in connection with other GAAP measurements, and should not be viewed as more prominent measures of performance than net income (loss) or cash flows from operations prepared in accordance with GAAP. The Company's Nareit FFO and Core FFO, as presented, may not be comparable to amounts calculated by other REITs. Nareit defines Earnings Before Interest, Taxes, Depreciation, and Amortization for Real Estate ("EBITDAre") as net income (loss) computed in accordance with GAAP before: (i) interest expense; (ii) income tax expense; (iii) depreciation and amortization; (iv) gains or losses from disposition of depreciable property; and (v) impairment write-downs of depreciable property. Adjustments for unconsolidated partnerships and joint ventures are calculated to reflect EBITDAre on the same basis. Adjusted EBITDAre is an additional performance measure used by the Company as EBITDAre includes certain non-comparable items that affect the Company's performance over time. To arrive at Adjusted EBITDAre, the Company excludes certain recurring and non-recurring items from EBITDAre, including, but not limited to: (i) changes in the fair value of the earn-out liability; (ii) other impairment charges; (iii) adjustments related to our investments in unconsolidated joint ventures; (iv) transaction and acquisition expenses; and (v) realized performance income. The Company uses EBITDAre and Adjusted EBITDAre as additional measures of operating performance which allow it to compare earnings independent of capital structure, determine debt service and fixed cost coverage, and measure enterprise value. Additionally, the Company believes they are a useful indicator of its ability to support its debt obligations. EBITDAre and Adjusted EBITDAre should not be considered as alternatives to net income (loss), as an indication of the Company's liquidity, nor as an indication of funds available to cover its cash needs, including its ability to fund distributions. Accordingly, EBITDAre and Adjusted EBITDAre should be reviewed in connection with other GAAP measurements, and should not be viewed as more prominent measures of performance than net income (loss) or cash flows from operations prepared in accordance with GAAP. The Company's EBITDAre and Adjusted EBITDAre, as presented, may not be comparable to amounts calculated by other REITs.

# PECO's Focused and Differentiated Strategy

## Focused on High-Quality, Grocery-Anchored Neighborhood Shopping Centers

### Key Elements of Our Strategy

-  ✓ #1 or #2 grocery anchor by sales (84% of ABR)
-  ✓ 95% of ABR from grocery-anchored neighborhood centers
-  ✓ Right-sized centers averaging 112,000 SF with strategic locations in fast-growing markets
-  ✓ 70% ABR from necessity-based goods and services<sup>(1)</sup>
-  ✓ Last-mile solution for necessity-based and essential retailers
-  ✓ Targeted trade areas where leading grocers and small shop Neighbors are successful

### Cycle-Tested and Resilient Advantage

- ✓ 98% leased portfolio occupancy with continued strong Neighbor demand
- ✓ Experienced, cycle-tested team with local expertise and strong Neighbor relationships
- ✓ Strong-credit Neighbors and diversified mix
- ✓ Lack of distressed retailers in PECO's portfolio
- ✓ Growing pipeline of ground-up outparcel development and repositioning projects
- ✓ Balance sheet and liquidity strength with trailing 12-month net debt / adj. EBITDA<sub>re</sub> of 5.3x<sup>(2)</sup>

## Format Drives Results – PECO is Operating from a Position of Strength and Stability

# Grocery-Anchored Portfolio

# Grocery-Anchored Centers Benefit from Macroeconomic Trends that Provide Strong Tailwinds for PECO

## Necessity-Based

- Consumer staple goods and services that are indispensable for day-to-day living
  - 70% of PECO ABR from necessity-based goods and services retailers<sup>(1)</sup>
- Recession-resistant across multiple cycles
- Highly resilient with minimal exposure to distressed retailers
- Only 0.7% of occupancy loss in 2020 and 1.8% of occupancy loss during the Global Financial Crisis

## High Foot Traffic

- U.S. consumers visit grocery stores 1.6 times per week on average<sup>(2)</sup>
- Approximately 31,000 average total trips per week to each PECO center<sup>(3)</sup>
- Approximately 535M total trips were made in the last 12 months to PECO centers<sup>(3)</sup>
- Strong foot traffic benefits inline Neighbor sales and enhances our ability to increase rents

## Omni-Channel

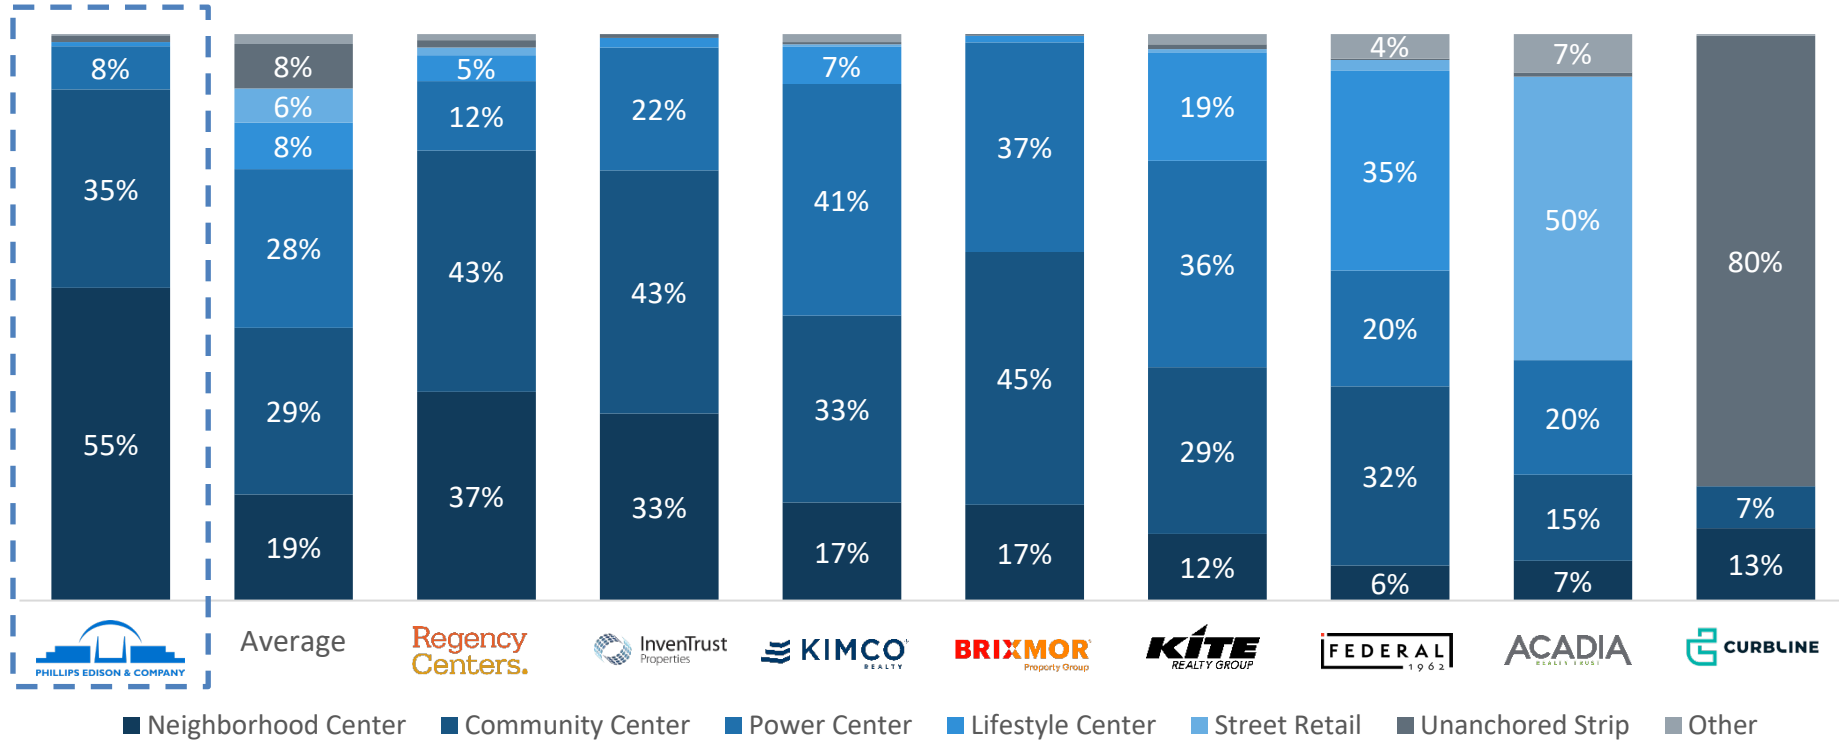

- PECO centers are a critical component of our Neighbors' omni-channel strategies and provide an attractive last-mile solution
  - ~85% of PECO grocers offer BOPIS option (Buy Online, Pick-Up In Store)<sup>(4)</sup>
- 74% of grocery shopping occurs in a physical store<sup>(5)</sup>

# CoStar Insights: Third Quarter 2025 Leasing Activity Driven by Smaller Retailers

## CoStar National Leasing Trends

### Strong Leasing Activity, Despite Tariff Concerns:

- Over 61M SF of retail space leased in Q3 2025

### Demand for Smaller Spaces:

- ~68% of leases were for spaces  $\leq 2,500$  SF
- ~93% were for spaces  $< 5,000$  SF

### Service-Based Retailers Leading:

- Smaller spaces primarily leased by service-oriented retailers (e.g., restaurants, personal/professional services, Medtail).
- Service-based retail is likely to be more resilient to tariff impacts

# How PECO Defines Quality

## Quality = SOAR

IMPORTANT AND SUSTAINABLE MEASURES OF QUALITY  
IN PECO GROCERY-ANCHORED CENTERS

### SPREADS

PECO's strong new and renewal leasing spreads are driven by necessity-based goods and services that serve the essential needs of our communities.

### OCCUPANCY

PECO's high occupancy levels are driven by our focused and differentiated strategy of owning right-sized grocery-anchored neighborhood shopping centers.

### ADVANTAGES OF THE MARKET

PECO's focus is on the #1 or #2 grocer that is well-positioned in the market with a Locally Smart® merchandising mix and ~50% of ABR in the Sun Belt states and growing U.S. cities.

### RETENTION

PECO retains a healthy and diverse mix of National, Regional and Local Neighbors who run successful businesses and support our ability to grow rents at attractive rates.

PECO has 30+ Years of Experience in the Grocery-Anchored Shopping Center Industry and an Informed Perspective on what Drives Quality and Success at the Property Level

# PECO's Grocery- Anchored Advantage

# Total Portfolio Neighbors by Type

PECO's healthy Neighbor mix and grocery-anchored strategy positions PECO well for continued growth:

- Restaurants including quick-service, fast-casual and full-service
- Personal services including hair and nail salons
- Medical – or Medtail – including dentists, chiropractors and urgent cares

70% of ABR is from necessity-based goods and services, with another 8% of ABR from full-service restaurants

## Neighbor Category Composition

% of ABR as of 9/30/25

**Grocery Continues to be PECO's Leading Category Exposure and is a Key Element of Our Strategy**

# Local Neighbors by Type

28% of PECO’s ABR is derived from Local Neighbors, comprised primarily of:

- Restaurants including quick-service, fast-casual and full-service
- Personal services including hair and nail salons
- Medical – or Medtail – including dentists, chiropractors and urgent cares

59% of Local ABR is from necessity-based goods and services, with another 19% of Local ABR from full-service restaurants

**Total Portfolio Composition**  
% of ABR as of 9/30/25

- National / Regional Neighbors 72%
- Local Neighbors 28%

**Local Neighbor Composition**

- Restaurants 35%
- Personal Services 27%
- Medical 17%
- Soft Goods 10%
- Other Essential 8%
- Other 3%

**Local Neighbors Make Up 28% of PECO’s ABR, Delivering Essential Services and Dining Options that Support Strong Foot Traffic**

# Math Behind Local Neighbors

PECO's inline Local Neighbors offer attractive economics, have high retention rates and achieve above average inline renewal spreads

- Inline Local Neighbors are resilient and have been in PECO's centers an average of 10 years
- This length of tenancy compares favorably to the capital investment payback period of 12 months for inline Local Neighbors
- During Q3 2025, PECO retained 80% of our Local Neighbors that were scheduled to expire
- Renewal rent spreads were 22.8% in Q3 2025 for inline Local Neighbors

# Potential Tariff Impact on Neighbors

PECO is among the REITs with the lowest tenant exposure to changes in tariff rates:

# 2025 Earnings Guidance

# 2025 Earnings Guidance Summary

## PECO's Full Year 2025 Earnings Guidance – Updated as of October 23, 2025

All figures in millions, except per share data

	Q3 2025 YTD	Full Year 2025 Guidance	Previous Full Year 2025 Guidance
Net income per share	\$0.51	\$0.62 - \$0.65	\$0.61 - \$0.64
Nareit FFO per share	\$1.90	\$2.51 - \$2.55	\$2.50 - \$2.54
Core FFO per share	\$1.94	\$2.57 - \$2.61	\$2.55 - \$2.60
Same-Center NOI growth	3.8%	3.10% - 3.60%	3.10% - 3.60%
<b>Portfolio Activity:</b>			
Acquisitions, gross <sup>(1)</sup>	\$301.6	\$350.0 - \$450.0	\$350.0 - \$450.0
<b>Other:</b>			
Interest expense, net	\$81.9	\$108.0 - \$116.0	\$110.0 - \$120.0
G&A expense	\$37.8	\$48.0 - \$52.0	\$46.0 - \$51.0
Non-cash revenue items <sup>(2)</sup>	\$14.1	\$19.0 - \$21.0	\$19.0 - \$21.0
Adjustments for collectibility	\$4.1	\$5.0 - \$7.0	\$4.5 - \$7.5

- Nareit FFO per share growth of 6.8% at the midpoint
- Core FFO per share growth of 6.6% at the midpoint

### FFO / Share Reconciliation

The following table provides a reconciliation of the range of PECO's 2025 estimated net income to estimated Nareit FFO and Core FFO:

(Unaudited)	Guidance	
	Low End	High End
<b>Net income per common share</b>	<b>\$0.62</b>	<b>\$0.65</b>
Depreciation and amortization of real estate assets	\$1.93	\$1.94
Gain on disposal of property, net	(\$0.07)	(\$0.07)
Adjustments related to unconsolidated joint ventures	\$0.03	\$0.03
<b>Nareit FFO per common share</b>	<b>\$2.51</b>	<b>\$2.55</b>
Depreciation and amortization of corporate assets	\$0.01	\$0.01
Transaction costs and other	\$0.05	\$0.05
<b>Core FFO per common share</b>	<b>\$2.57</b>	<b>\$2.61</b>

The Company does not provide a reconciliation for same-center NOI estimates on a forward-looking basis because it is unable to provide a meaningful or reasonably accurate calculation or estimation of certain reconciling items which could be significant to our results without unreasonable effort.

1. Includes the prorated portion owned through the Company's unconsolidated joint ventures  
2. Represents straight-line rental income and net amortization of above- and below-market leases

Grassland Crossing | Atlanta, GA suburb

# Balance Sheet

# PECO is Among the Lowest Levered Shopping Center REITs

- PECO has continued to preserve low leverage ratios and holds investment grade ratings from Moody's and S&P
- PECO holds a 'BBB' rating from S&P
- PECO holds a 'Baa2' rating from Moody's
- PECO has a long-term target leverage level of approximately mid-5x

Net Debt / Adjusted EBITDA<sup>(1)</sup>  
As of September 30, 2025

Sources:

1. As reported in September 30, 2025 quarterly filings (mix of TTM and LQA leverage); data based on Company filings. Other companies may define/calculate net debt / EBITDA differently than PECO. Accordingly, such data for these companies and PECO may not be comparable. For non-GAAP reconciliations, refer to the Company's latest quarterly financial supplement or Form 10-Q
2. Long-term issuer ratings, as of December 5, 2025

# PECO's Strong and Flexible Balance Sheet Position

## Investment Grade Balance Sheet Highlights<sup>(1)</sup>

- S&P: BBB; Moody's: Baa2
- Significant liquidity position of **\$977M**
- Trailing 12-month Net debt / adjusted EBITDAre of **5.3x<sup>(2)</sup>**
- Approximately **88%** of our assets are unencumbered
- As of September 30, 2025 our outstanding debt had a:
  - Weighted average interest rate of **4.4%**
  - Weighted average maturity of **5.4 years**
  - Fixed rate debt of **95%** of total debt
- Closed on **\$350M** bond offering in June 2025

## PECO has a Well-Laddered Debt Maturity Profile (\$M)<sup>(1)</sup>

Source:  
 1. Company data as of September 30, 2025. Revolver capacity is net of letters of credit. Includes options to extend both the revolver and term loans.  
 2. For non-GAAP reconciliations, refer to the Company's latest quarterly financial supplement or 10-Q

# Performance and Long-Term Growth

# PECO's Cycle-Tested Performance

Performance following the 2008 Global Financial Crisis highlights the resiliency of PECO's grocery-anchored portfolio

For the 29 centers PECO still owns:

- NOI decreased 270 bps in 2010 and recovered to pre-GFC levels by 2011
- Leased occupancy declined 180 bps in 2009 and fully recovered by 2010
- Retention fully recovered by 2010

## LEADING PERFORMANCE

Leased Portfolio Occupancy

Portfolio Retention

# PECO's Cycle-Tested Performance

PECO's grocery-anchored portfolio demonstrated further resilience during 2020 and the pandemic-induced downturn

- PECO lost 70 basis points of occupancy during the peak of the pandemic
- Leased occupancy fully recovered by mid-year 2021

## LEADING PERFORMANCE

PECO's grocery-anchored neighborhood shopping centers have proven to be resilient in multiple market cycles

# Strong Operating Environment

Record-high renewal rent spreads of 23.2% in Q3 2025

Leasing spreads demonstrate PECO's pricing power and sustainable organic growth

Retention rate remained strong at 94% in Q3 2025

PECO's portfolio occupancy levels have remained strong, and the resulting pricing power is driving new leasing and renewal spreads significantly above previous levels

## LEADING PERFORMANCE

Comparable Renewal Lease Spreads

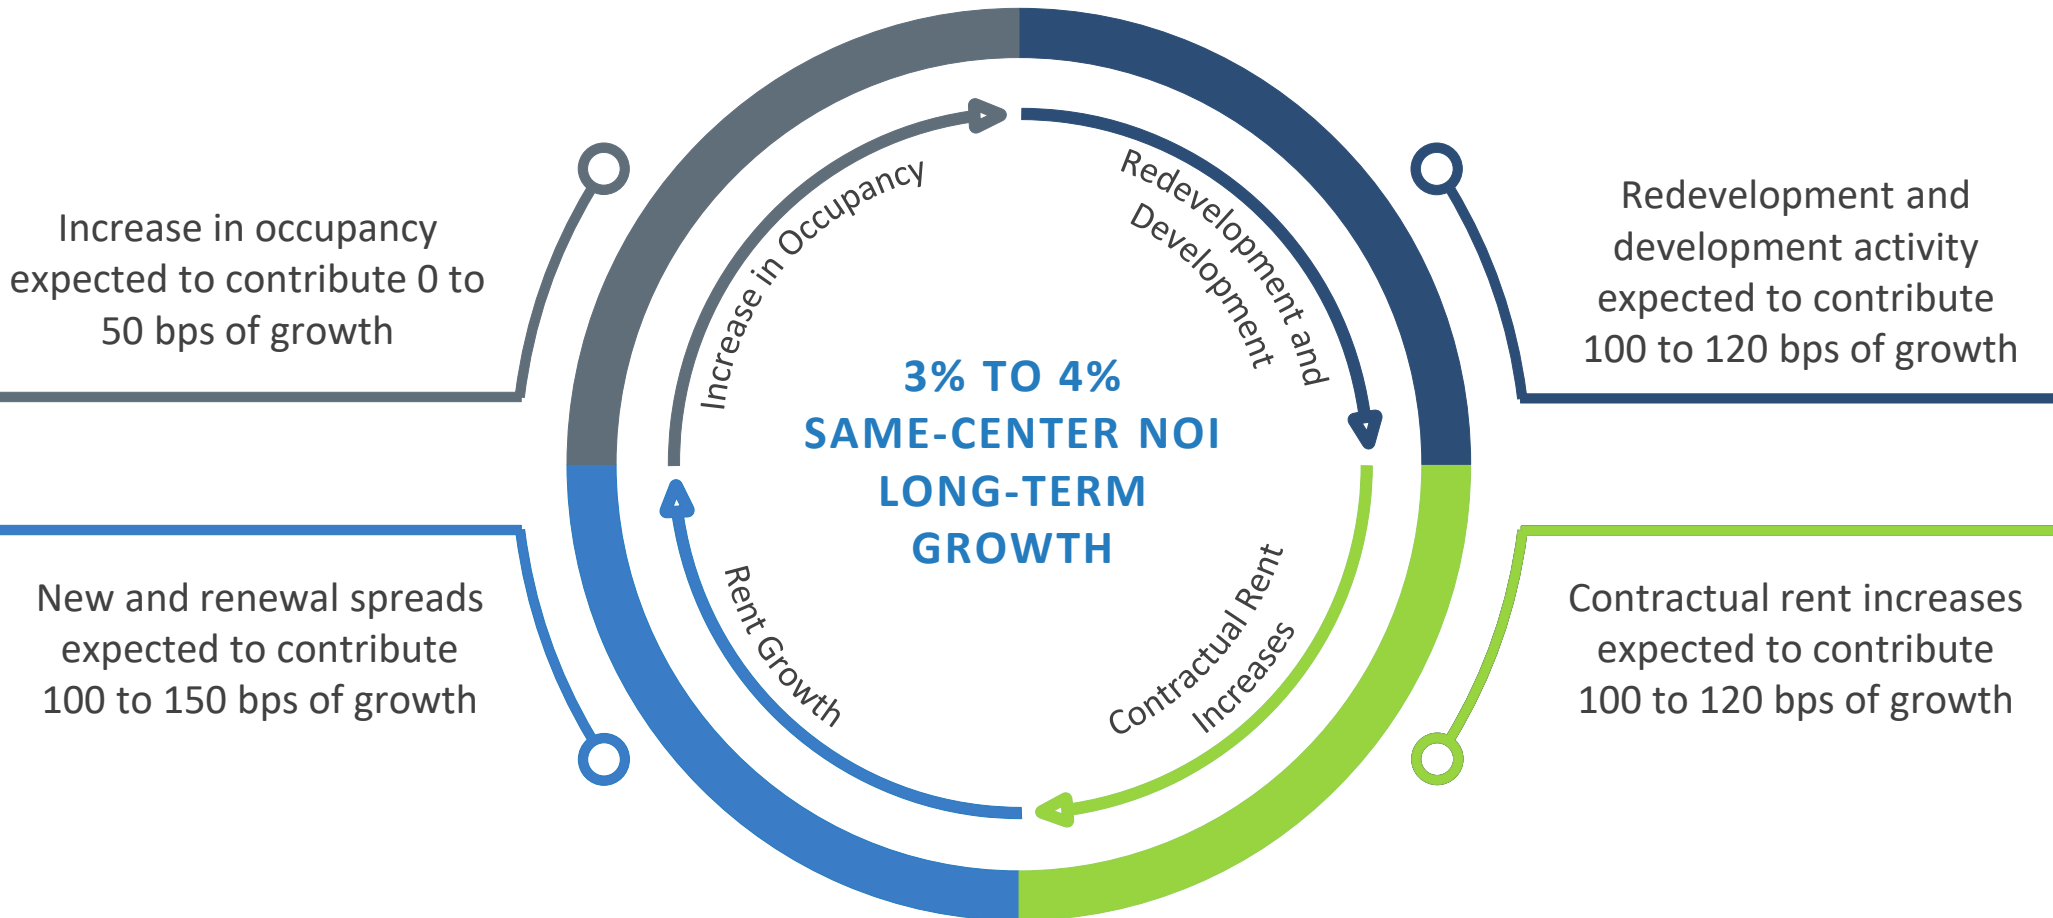

Comparable New Lease Spreads

# Roadmap to Our Long Term Growth

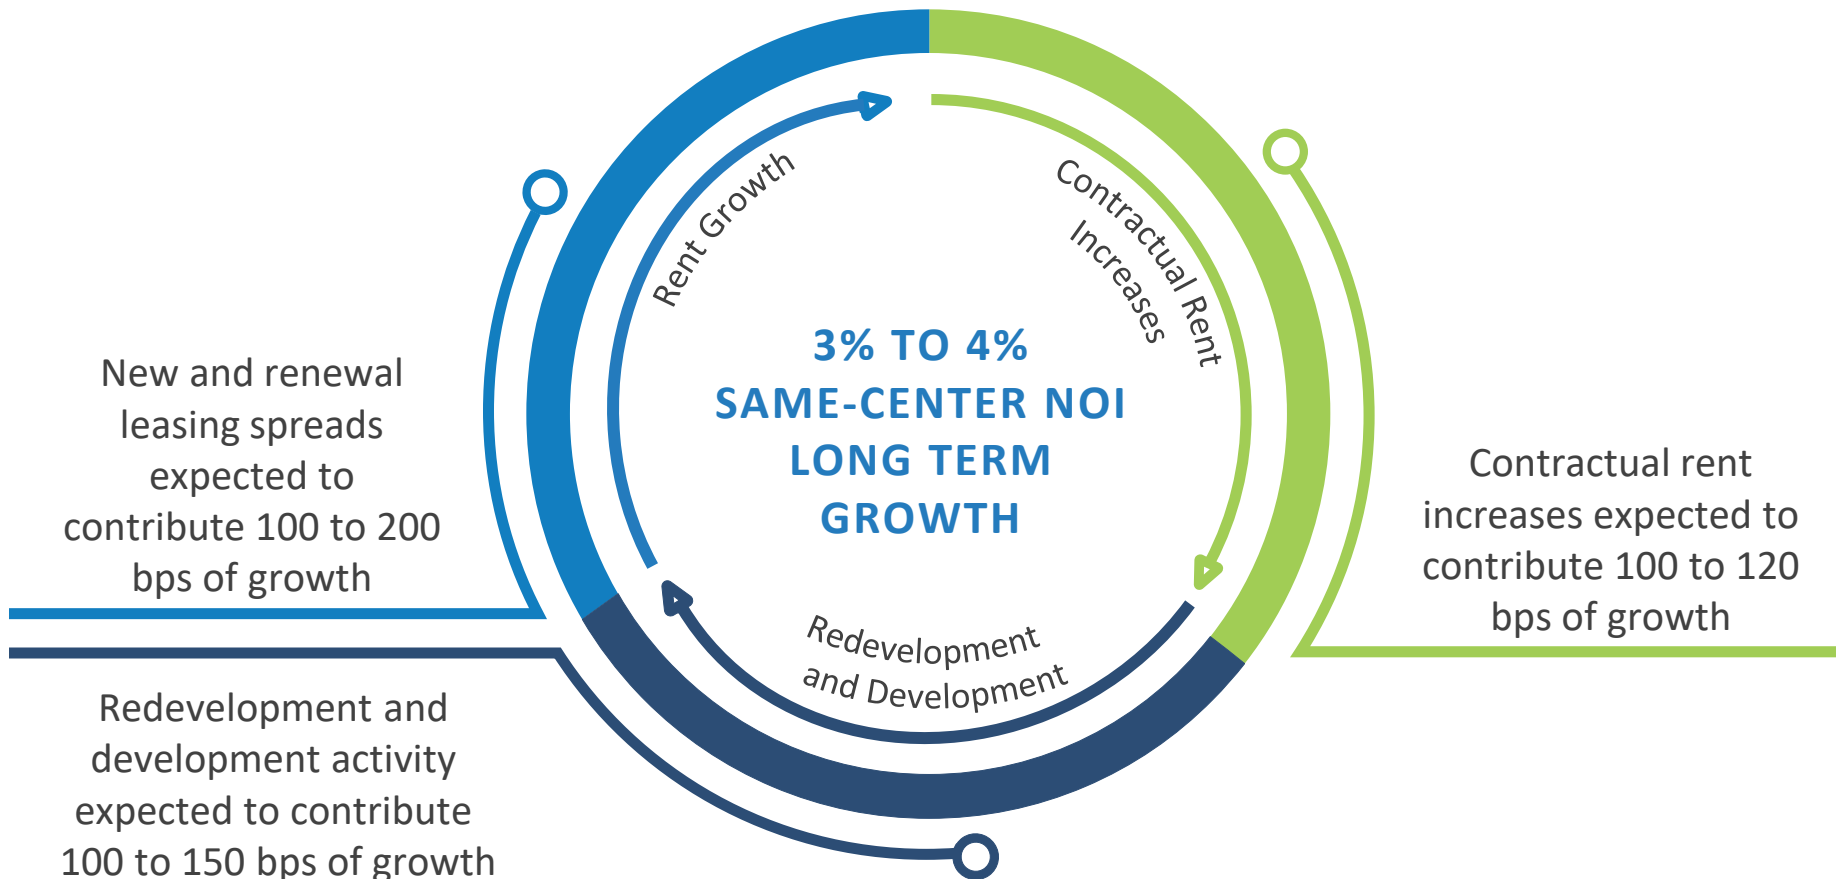

PECO Remains Committed to Delivering Sustainable Organic Long-Term Growth and Value

**PECO continues to believe that we can grow same-center inline occupancy another 100 to 150 basis points**

# Long Term Growth Beyond Occupancy

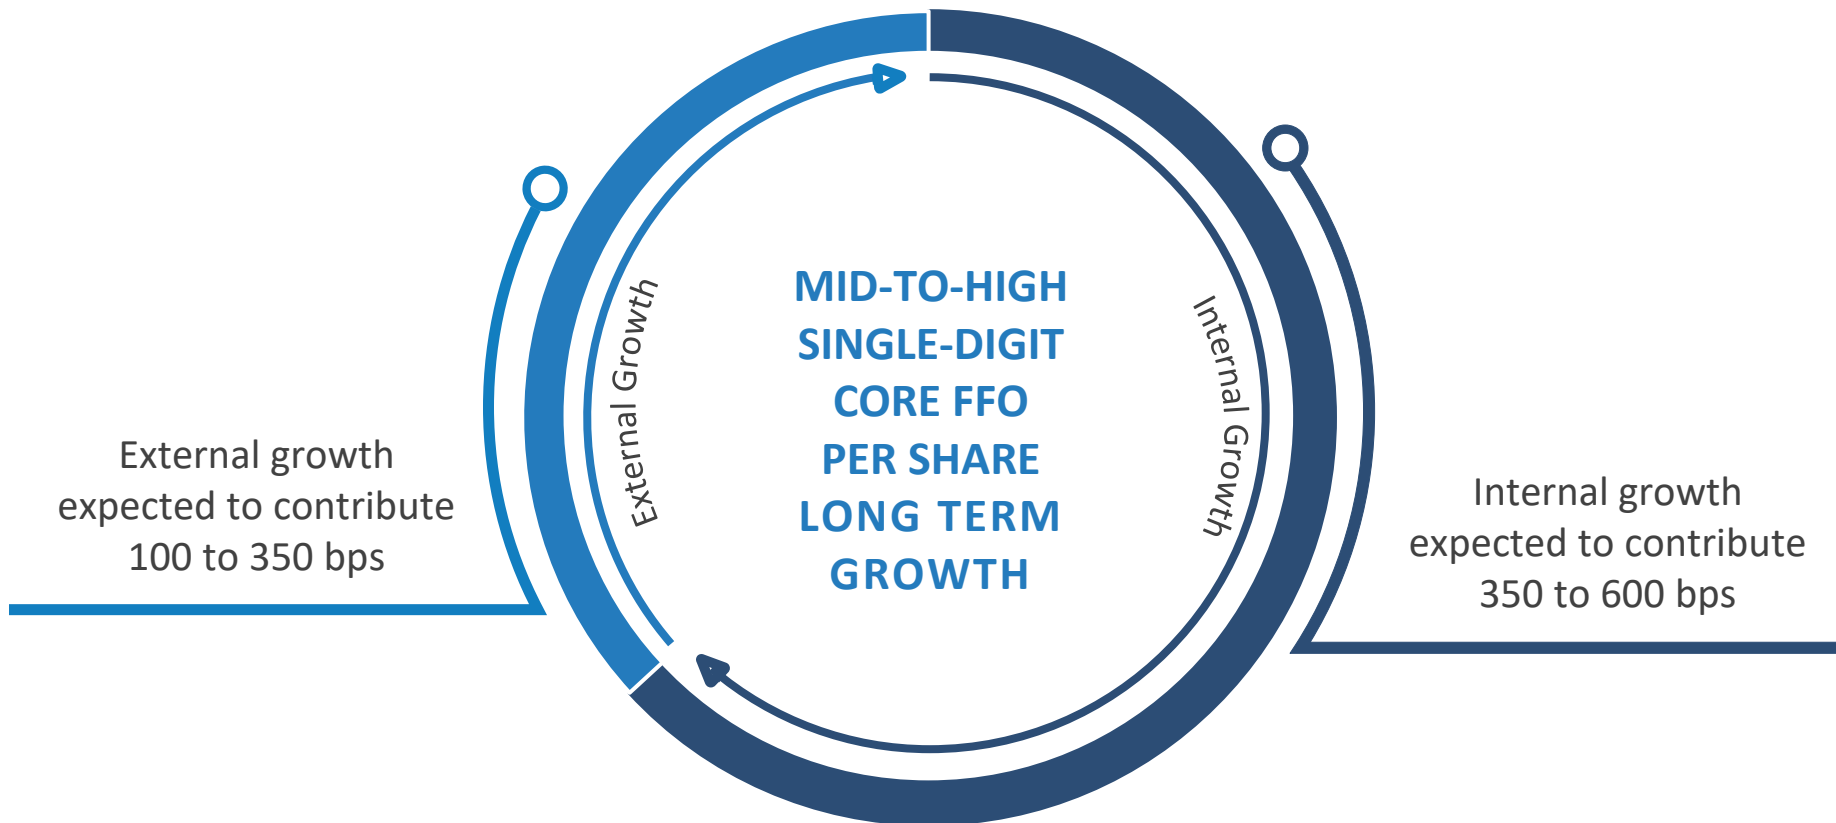

When Occupancy is No Longer a Driver of Growth, We Believe Our Portfolio Can Still Deliver 3% to 4% Same-Center NOI Growth Long Term

**PECO continues to believe that we can grow same-center inline occupancy another 100 to 150 basis points**

# Roadmap to Our Long Term Growth

PECO's Long Term Core FFO Per Share Growth will be Driven by Effective Internal and External Growth

The PECO team continues to believe we can deliver even higher AFFO growth long term

# PECO's Investments Enhance Long-Term Value

We Invest in Opportunities that are Accretive to Earnings and our Long-Term Growth Profile  
We Believe our IRRs on Investments are Meaningfully Above our Cost of Capital

PECO's Investment Strategy is Supported by:

Ample Free Cash Flow

Leverage Capacity

Access to Capital

## SOURCES OF CAPITAL

## USES OF CAPITAL

Free Cash Flow

Debt

Acquisitions

Dividend Distributions

Investment Management

Common Equity

Development and Redevelopment

Capital Expenditures

Portfolio Recycling

# PECO Delivers Higher Same-Center NOI Growth Over Time with Lower Capex

Over the Last 5 Years, PECO's Capex was Lower than the Peer Average While Outperforming on Same-Center NOI Growth

**SAME-CENTER NOI GROWTH**  
2020-2024<sup>(1)(2)</sup>

**CAPITAL EXPENDITURES<sup>(3)</sup>**  
(% of NOI 2020 – 2024)

**Same-Center NOI  
Growth of 3% to 4%**

**Mid-to-High-Single-Digit  
Core FFO per Share Growth  
and Higher AFFO Growth**

# AI Innovation

# Driving Innovation with Artificial Intelligence: PECO's Leadership in Technology

## Award Recognition:

- Won the 2025 Digie Award for Best Use of Artificial Intelligence (AI) at the Realcomm Conference
- This marked PECO's fourth Digie Award in back-to-back years of the "Best Use of AI"
- Recognized for its position as a technology-forward leader in commercial real estate

## Strategic Use of AI:

- Positioned AI as a core driver of long-term growth and innovation at PECO

## Internal AI Development:

- Developed in-house AI tools to enhance automation and improve business insights using machine learning and predictive analytics

## Cross-Functional Collaboration:

- Created processes where AI initiatives are designed to foster collaboration across departments
- Enhanced PECO's culture to support technological leadership in AI within the Shopping Center sector

# Corporate Responsibility

# Corporate Responsibility and Sustainability

Our Corporate Responsibility and Sustainability Program is based on the four pillars set forth below and is overseen by our Board of Directors through the Nominating and Governance Committee, reflecting PECO’s comprehensive approach to strong governance.

## People & Culture

PECO Cultural Advantage (PECO XP)

## Environmental Management

Maximizing Resource Efficiencies & Mitigating Impact of Risks

# Glossary of Terms

# Glossary of Terms

**Anchor space:** A space greater than or equal to 10,000 square feet of gross leasable area (GLA).

**Annualized base rent (ABR):** Refers to the monthly contractual base rent as of the end of the applicable reporting period multiplied by twelve months.

**ABR per square foot (PSF):** ABR divided by leased GLA. Increases in ABR PSF can be an indication of our ability to create rental rate growth in our centers, as well as an indication of demand for our spaces, which generally provides us with greater leverage during lease negotiations.

**Cap rate:** Estimated in-place NOI for the property divided by the property's contractual purchase or sale price.

**Comparable lease:** Refers to a lease with consistent terms that is executed for substantially the same space that has been vacant less than twelve months.

**Comparable rent spread:** Calculated as the percentage increase or decrease in first-year ABR (excluding any free rent or escalations) on new, renewal and option leases where the lease was considered a comparable lease. This metric provides an indication of our ability to generate revenue growth through leasing activity.

**EBITDAre, and Adjusted EBITDAre (collectively, "EBITDAre metrics"):** Nareit defines EBITDAre as net income (loss) computed in accordance with GAAP before: (i) interest expense; (ii) income tax expense; (iii) depreciation and amortization; (iv) gains or losses from disposition of depreciable property; and (v) impairment write-downs of depreciable property. Adjustments for unconsolidated partnerships and joint ventures are calculated to reflect EBITDAre on the same basis. To arrive at Adjusted EBITDAre, we exclude certain recurring and non-recurring items from EBITDAre, including, but not limited to: (i) changes in the fair value of the earn-out liability; (ii) other impairment charges; (iii) adjustments related to our investments in unconsolidated joint ventures; (iv) transaction and acquisition expenses; and (v) realized performance income. We use EBITDAre and Adjusted EBITDAre as additional measures of operating performance which allow us to compare earnings independent of capital structure and evaluate debt leverage and fixed cost coverage.

**Equity market capitalization:** The total dollar value of all outstanding shares using the closing price for the applicable date.

**Grocer health ratio:** Amount of annual rent and expense recoveries paid by the Neighbor as a percentage of gross sales. Low grocer health ratios provide us with the knowledge to manage our rents effectively while seeking to ensure the financial stability of our grocery anchors.

**Gross leasable area (GLA):** The total occupied and unoccupied square footage of a building that is available for Neighbors or other retailers to lease.

**Inline space:** A space containing less than 10,000 square feet of GLA.

**Leased occupancy:** Calculated as the percentage of total GLA for which a lease has been signed regardless of whether the lease has commenced or the Neighbor has taken possession. High occupancy is an indicator of demand for our spaces, which generally provides us with greater leverage during lease negotiations.

**Net debt:** Total debt, excluding discounts, market adjustments and deferred financing expenses, less cash and cash equivalents.

**Net debt to Adjusted EBITDAre:** Calculated by dividing net debt by Adjusted EBITDAre (included on an annualized basis within the calculation). It provides insight into our leverage rate based on earnings and is not impacted by fluctuations in our equity price.

**Net debt to total enterprise value:** Ratio is calculated by dividing net debt by total enterprise value. It provides insight into our capital structure and usage of debt.

**Net Operating Income (NOI):** Calculated as total operating revenues, adjusted to exclude non-cash revenue items, less property operating expenses and real estate taxes. NOI provides insight about our financial and operating performance because it provides a performance measure of the revenues and expenses directly involved in owning and operating real estate assets and provides a perspective not immediately apparent from net income (loss).

**Portfolio retention rate:** Calculated by dividing (i) the total square feet of retained Neighbors with current period lease expirations by (ii) the total square feet of leases expiring during the period. The portfolio retention rate provides insight into our ability to retain Neighbors at our shopping centers as their leases approach expiration. Generally, the costs to retain an existing Neighbor are lower than costs to replace with a new Neighbor.

**(Re)development:** Larger scale projects that typically involve substantial demolition of a portion of the shopping center to accommodate new retailers. These projects typically are accompanied with new construction and site infrastructure costs.

**Same-Center:** Refers to a property, or portfolio of properties, owned and operational for the entirety of both calendar year periods being compared.

**Sun Belt states:** Consists of 15 states: Alabama, Arizona, Arkansas, California, Florida, Georgia, Louisiana, Mississippi, Nevada, New Mexico, North Carolina, Oklahoma, South Carolina, Tennessee and Texas.

**Total enterprise value:** Net debt plus equity market capitalization on a fully diluted basis.
