

Phillips Edison Provides Initial Update on Hurricane Irma

September 14, 2017

CINCINNATI--(BUSINESS WIRE)-- [Phillips Edison & Company](#) (the "Company"), has provided an initial update on Hurricane Irma and the impact it has had on the properties managed by the Company located in Florida, Georgia and South Carolina.

The Company reported that, upon initial inspection, there has been no material structural damage or flooding to its properties.

"Our deepest sympathies are with the members of those communities affected by the recent hurricanes," said Jeff Edison, Principal and Chief Executive Officer of Phillips Edison & Company. "We are truly appreciative of the first responders in the affected areas who have been working tirelessly to ensure the safety of those in need."

Phillips Edison & Company, which manages properties owned by [Phillips Edison Grocery Center REIT I, Inc.](#), [Phillips Edison Grocery Center REIT II, Inc.](#) and Phillips Edison Limited Partnership, will provide additional information and updates as more information is made available. All of the Company's properties are appropriately insured.

Further, the Company reports that its four greater Houston area properties have reported no flooding or structural damage, and 100% of the tenants are open for business.
