

Phillips Edison & Company Expands National Accounts Team

October 17, 2017

CINCINNATI--(BUSINESS WIRE)-- Phillips Edison & Company (PECO) announced today the expansion of the Company's national accounts team - a dedicated group of real estate professionals focused on expanding our network of national retailers and fostering existing relationships.

Mike Conway, previously Vice President of National Accounts, will now have the title of Vice President of National Accounts and Retailer Partnerships. The company's national accounts, renewals and research teams will report to Mr. Conway. Stuart Shapiro, who oversaw leasing for properties in the Company's southeast region, will be taking on the newly created role of Senior Director of National Accounts. In addition, Ryan Mitzel, who previously was a leasing agent for the company, has been promoted to Director of National Accounts for the East. Stuart and Ryan will join the team that includes Brian Landru, Director of National Accounts for the West and Ashley Casey, Emerging Trends Account Leader.

"Phillips Edison is committed to maintaining solid relationships with our retailers and partnering with them to ensure the best possible customer experience at their locations across our portfolio," said Conway. "We are excited to expand our team with the addition of the research team and Ryan. Also, Stuart's solid retailer relationships and in-depth understanding of the retail and real estate industries will make him a key contributor to this initiative."

About Phillips Edison & Company™ (PECO)

Phillips Edison & Company (PECO) is one of the nation's largest owners and operators of market-leading, grocery-anchored shopping centers. The company manages a diversified portfolio of over 340 shopping centers - 235 of which are owned directly by the company and comprise approximately 26.2 million square feet located in 32 states. PECO's proven, vertically-integrated operating platform allows it to effectively and efficiently acquire, lease and manage its properties, resulting in a history of strong operating results and great shopping experiences.
