

AUDIT COMMITTEE CHARTER

I. PURPOSE AND AUTHORITY

The Audit Committee (the "Committee") of the Board of Directors (the "Board") of OP Bancorp and Open Bank (the "Company") is appointed by the Board to assist in fulfilling the Board's oversight responsibilities for the financial reporting process, the system of internal control, the audit process, and the company's process for monitoring compliance with laws and regulations and the code of conduct as permitted by the Federal Deposit Insurance Act and implementing regulations (12 USC 1831m(i), 12 CFR 363.1(b)(2)). The purpose of the Committee will be to:

- Provide oversight of the Company's accounting and financial reporting processes and the quality and integrity of the Company's financial statements and reports, including the Company's internal controls over financial reporting and disclosures;
- Appoint and approve the independent registered public accounting firm engaged as the Company's independent external auditor (the "independent auditor");
- Oversee the engagement, qualifications, independence, compensation, and performance of the independent auditor;
- Preapprove all audit, audit-related, tax, or other services, if any, to be provided by the independent auditor;
- Retain independent legal counsel, accountants, or other consultants to advise the Audit Committee or assist in the conduct of an investigation;
- Prepare, or direct to be prepared, the audit committee report required by the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations thereunder for inclusion in the Company's annual proxy statement;
- Provide oversight and monitoring of the Company's internal audit function;
- Be directly responsible for the hiring, annual performance evaluation, compensation, and oversight of the Company's Internal Audit Manager; and
- Provide an avenue of communication among the independent audits, management, the internal audits, and the Board.

In fulfilling its purpose, it is the responsibility of the Committee to maintain free and open communications between the Committee, independent auditor, internal auditors or external auditors performing similar functions, and management of the Company. In discharging its oversight role, the Committee shall be empowered to conduct or authorize investigations into any matter within the scope of its responsibilities. The Committee may employ one or more independent accountants, outside counsel or other experts as it deems appropriate, at the Company's expense. The Committee shall have full access to the independent auditor and all records, facilities, or personnel of the Company and the Bank. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditor, experts hired by the Committee, conduct of the internal audit (in-house or outsourced), and necessary or appropriate Committee expenses.

II. COMMITTEE MEMBERSHIP

The Audit Committee shall consist of at least three (3) members. Each member of the Committee shall: (i) qualify as "independent" under the rules of the NASDAQ Stock Market and the Sarbanes-Oxley Act of 2002,

and the rules promulgated there under; (ii) not accept any consulting, advisory or other compensatory fee from the Company or any subsidiary other than in his or her capacity as a member of the Board or any committee of the Board; (iii) not be an "affiliate" of the Company or any subsidiary of the Company, as such term is defined in Rule 10A-3 under the Securities Exchange Act of 1934, as amended; and (iv) has not participated in the preparation of the financial statements of the Company or any of its current subsidiaries at any time during the past three years.

Each member of the audit committee must be able to read and understand fundamental financial statements, including the company's balance sheet, income statement, and cash flow statement. In addition, at least one member of the committee shall, in the judgment of the Board, be an "audit committee financial expert" (for these purposes in accordance with the SEC rules and regulations) and be financially sophisticated (for those purposes in accordance with the NASDAQ Stock Market rules).

No member of the Audit Committee may simultaneously serve on the audit committee of more than two other public corporations, unless the Board of Directors determines that such simultaneous service would not impair such director's ability to effectively serve on the Company's Audit Committee and such determination is disclosed in the Company's annual proxy statement.

Members of the Committee shall be appointed by the Board of Directors based on nominations recommended by the Company's Corporate Governance and Nominating Committee and shall serve at the pleasure of the Board of Directors and for such term or terms as the Board may determine.

If a member ceases to be "independent" (in accordance with the NASDAQ Stock Market rules) for reasons outside the member's reasonable control, the audit committee member may remain on the audit committee for a "cure period" until the earlier of its next annual shareholders meeting or one year from the occurrence of the event that caused the failure to comply with this requirement. A Company relying on this provision must provide notice to NASDAQ immediately upon learning of the event or circumstance that caused the noncompliance.

If the committee ceases to be compliant due to a vacancy on the audit committee, and the "cure period" reference in the paragraph above is not otherwise being relied upon for another member, the Company will have until the earlier of the next annual shareholders meeting or one year from the occurrence of the event that caused the failure to comply with this requirement; provided, however, that if the annual shareholders meeting occurs no later than 180 days following the event that caused the vacancy, the Company shall instead have 180 days from such event to regain compliance. A Company relying on this provision must provide notice to NASDAQ immediately upon learning of the event or circumstance that caused the noncompliance.

III. STRUCTURE AND MEETINGS

The Committee shall conduct its business in accordance with this Charter, the Company's Bylaws, and direction by the full Board.

The Committee Chair shall be an outside director of the Company or in the absence of the Chair, his/her designee.

The Committee will meet no less frequently than quarterly, unless changed by majority approval. Additional meetings may occur as the Chair or a majority of the members of the Committee deems advisable in accordance with the Company's Bylaws. A majority of the Committee, but not less than two (2) members shall constitute a quorum for the transaction of business.

The Committee Chair will preside at each meeting and shall ensure that the agenda for each meeting is circulated to each Committee member in advance of the meeting. The Chair of the Committee (or other

member designated by the Chair or the Committee in the Chairperson's absence) will cause to be kept minutes of all its proceedings, which will be maintained with the books and records of the Company. The Committee will report its actions to the next meeting of the Board and Committee members will be furnished with copies of the minutes of each meeting and any action taken by unanimous consent.

The Committee is governed by the same rules regarding meetings (including meetings by conference telephone or similar communications equipment), action without meetings, notice, waiver of notice, and quorum and voting requirements as are applicable to the Board. The Committee is authorized to adopt its own rules of procedure not inconsistent with any provision of this Charter, any provision of the Bylaws of OP Bancorp, or the laws of the State of California.

As necessary or desirable, the Audit Committee should meet privately in executive session periodically with management, the independent auditor, the Internal Audit Manager or as a committee to discuss any matters that the Audit Committee or each of these groups believes should be discussed.

IV. DUTIES AND RESPONSIBILITIES

- Review with the Company's independent auditor changes in accounting standards or rules promulgated by the Financial Accounting Standards Board, the SEC, and other regulatory bodies that could materially impact the Company's financial statements;

In conducting this review, the Committee shall address all matters that it considers relevant to its performance, including at least the following: the adequacy, appropriateness and quality of the information and recommendations presented by the Committee to the Board; the manner in which they were discussed or debated; and whether the number and length of meetings of the Committee were adequate for the Committee to complete its work in a thorough and thoughtful manner.

VII. LIMITATIONS OF AUDIT COMMITTEE'S ROLE

The independent auditor and Internal Audit Manager are or shall be ultimately accountable to the Committee, in its capacity as a Committee of the Board, and to the full Board. While the Committee has the oversight, supervisory and other powers and responsibilities set forth in this Charter, it is not the responsibility of the Committee to plan or conduct audits, to implement internal controls, or to determine or certify that the Company's financial statements are complete and accurate or are in compliance with generally accepted accounting principles. It shall be management's responsibility to prepare the Company's consolidated financial statements, periodic reports and to establish and maintain appropriate accounting and financial reporting policies and internal and disclosure controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. It is the independent auditor's responsibility to audit the consolidated financial statements and the effectiveness of internal controls over financial reporting.

Each member of this Committee is entitled to rely on (A) the integrity of those persons and organizations within and outside the Company from which it receives information, (B) the accuracy of the financial and other information provided to this Committee by such persons or organizations absent actual knowledge to the contrary (which shall be reported promptly to the Board of Directors) and (C) representations made by management as to any information technology or other non-audit services provided by the independent auditor to the Company.
