This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by the use of the words "will," "anticipate," "expect," "intend," "estimate," "target," and words of similar import. Forward-looking statements are not historical facts but instead express only management's current beliefs regarding future results or events, many of which, by their nature, are inherently uncertain and outside of management's control. The following factors, among others

listed in Company's Form 10-K and Form 10-Q filings, could cause the actual results of the Company's operations to differ materially from the Company's expectations: the effect of the COVID-19 pandemic, including the negative impacts and disruptions on public health, corporate and consumer customers, the communities CBU serves, and the domestic and global economy, including various actions taken in response by governments, central banks and others, which may have an adverse effect on CBU's business; the successful integration of operations of its acquisitions; competition; changes in economic conditions, interest rates and financial markets; and changes in legislation or regulatory requirements. The Company does not assume any duty to update forward-looking statements.
