

NEWS RELEASE

PetMeds® to Give Away Free Pet Food for a Year to Three Lucky Pet Owners and \$1,000 in PetMeds® Credits to Three Local Animal Shelters

2/16/2024

The giveaway comes as PetMeds® partners with Hill's Pet Nutrition to make Science Diet available through petmeds.com, starting March 1

DELRAY BEACH, Fla., Feb. 16, 2024 (GLOBE NEWSWIRE) -- **PetMed Express**, Inc. (NASDAQ: PETS), Your Trusted Pet Health Expert, is giving away a year's worth of free science-led Hill's Science Diet pet nutrition to three lucky winners. Those three winners will also get to select a pet shelter of their choice to receive a \$1,000 credit to petmeds.com.

The giveaway will be open for entries on petmeds.com between February 16 and March 15, 2024. No purchase is necessary to win. The promotion comes in advance of Hill's Science Diet products being available through petmeds.com, beginning March 1, 2024.

"We are proud to partner with Hill's Pet Nutrition to offer Hill's Science Diet products through petmeds.com," said Matt Hulett, President and CEO of PetMed Express. "We're looking forward to giving away a year's worth of Hill's Science Diet to our winning pet parents, supporting animal shelters, and to providing our PetMeds® customers with these best-in-class products starting next month."

PetMeds® is launching the giveaway during Responsible Pet Ownership Month and at a time when shelters nationwide are facing a capacity crisis. For the third consecutive year, shelters had **too many animals and not enough adoptions** in 2023, a trend that is continuing this year. PetMeds® is doing its part to help promote responsible pet ownership by providing top-quality pet food and helping to ease the burden on animal shelters.
