CANADIAN
CSR
FUND

APPLICATION GUIDELINES

OUR POLICY:

B2Gold actively supports sustainable projects in health, education, livelihoods and environmental conservation throughout the world where we operate. As a Canadian company, we are also committed to supporting CSR initiatives at home through our Canadian CSR Fund.

- ▶ B2Gold will consider projects that align with our focus areas of **health, children, and people at risk.**
- ▶ Preference will be given to Canadian organizations who are working in the **Metro Vancouver region.** Projects in BC or Canada will be considered if they are highly attractive and exceed in meeting project criteria.

ADDITIONAL REQUIREMENTS:

- ▶ Only registered charities will be considered for funding.
- ▶ Any organization that receives funding, must provide monitoring reports on impact and outcomes achieved, including a financial report showing how funds were utilized.
- ▶ Organization should disclose any potential conflicts of interest, including relationships with employees of B2Gold, or other funding partners that are in the extractive sector.
- ▶ B2Gold will not provide funds to support advocacy campaigns.
- ▶ We accept applications at any time, however funding decisions will only be reviewed three times a year.
