

Bribery and Corruption

Bribery and corruption are not only against our company values; they are illegal and can expose both the employee and the company to fines and penalties, including imprisonment and reputational damage.

At Plumas Bank, bribery is never permitted. We will not seek to influence others, either directly or indirectly, by offering, paying, or receiving bribes or kickbacks, or by any other means that is considered unethical, illegal, or harmful to our reputation of honesty and integrity. Employees and representatives of the company are expected to decline any opportunity which would place our ethical principles and reputation at risk. While certain laws apply only to bribes to government officials (domestic and foreign), this policy applies to non-government business partners and our vendors as well.
