DiVOSTA HOMES ACQUIRES 275 LOTS FOR NEW COMMUNITY IN JUPITER

JUPITER, Fla., May 13, 2015 – DiVosta Homes has acquired 275 lots for a new community in one of the premier locations to live, work and play in South Florida. Land development has already begun on Sonoma Isles in Jupiter and the community expects to begin sales by December 2015.

"This 260-acre parcel is the last large new construction opportunity in Jupiter," said Richard McCormick, president of the Company's South Florida Division. "Homes near this location are in tight supply and are highly desirable because of their location to the excellent schools, employment corridors, shopping and entertainment, and parks and beaches."

Kitchen and Cafe in the Stonewater Home Design

The new single-family community will be the third actively-selling DiVosta community in the Palm Beach area, joining the successful communities of Windsor Park at Abacoa in Jupiter and Castellina in Wellington. Sonoma Isles is the perfect location for families, empty-nesters and retirees who want a walkable, bike-able and connective community where residents all know each other, added McCormick.

Plans for the gated community include water views from nearly every home site and one- and two-story homes ranging from 2,400 to 5,000+ sq. ft. Community amenities include a 6,000-square-foot clubhouse with a community room, fitness facility, catering kitchen and card/activity rooms; a resort-style pool; and outdoor amenities.

Sonoma Isles is also in close proximity to entertainment, medical facilities, employment hubs, Interstate 95, the Florida Turnpike, and the Palm Beach International Airport, making business commutes and travel as efficient as possible. Vacation destinations of Tampa, Orlando, Miami and the Florida Keys are all within a three hour drive.
