PulteGroup Named One of the 2022 Fortune Best Workplaces for Women™
The Company Ranks #32 on the List by Fortune and Great Place to Work®

ATLANTA, September 28, 2022 – PulteGroup, Inc. (NYSE: PHM) today announced its recognition among the [Best Workplaces for Women™](#) by *Fortune* and Great Place to Work®. This is PulteGroup’s third consecutive year being named to this prestigious list, ranking #32 in 2022.

“We are grateful for our dedicated team members who have made us a Best Workplace for Women for the last three years. This recognition is especially meaningful because it is based on their feedback and everyday experiences at work,” said PulteGroup Senior Vice President of Human Resources Michelle Hairston. “Having a diverse workforce is critical to our success, and we are strongly committed to creating an inclusive environment where everyone feels welcomed and valued.”

The Best Workplaces for Women list is determined through the analysis of anonymous survey responses from over 640,000 women who work for Great Place to Work-Certified™ companies. In this survey, 94% of the women at PulteGroup said the company is a great place to work. This is 4% higher than the benchmark set by the Top 100 Companies in the U.S. in 2022.

“Congratulations to the Best Workplaces for Women and their commitment to ensuring equity for women at every level of the organization,” says Michael C. Bush, CEO of Great Place to Work. “These companies showed up for women in new ways to help them cope with challenges they face wherever they are—both inside and outside of work. Women in these companies are seen, heard and valued.”

This recognition is one of several workplace accolades that the company has recently received. In 2022, PulteGroup was named among the *Fortune* [100 Best Companies to Work For®](#) (#43), [Best Workplaces in Construction](#) (#2), [Best Workplaces for Millennials™](#) (#33), and [PEOPLE’s Companies that Care](#) (#3).

About the Best Workplaces for Women™

Great Place to Work selected the Best Workplaces for Women by analyzing the survey responses of over 640,000 employees who work for Great Place to Work-Certified™ companies who employ at least 50 women. Companies must also have least 20% of non-executive managers who are women, and at least one executive who's a woman. Company rankings are derived from 60 employee experience questions within the [Great Place to Work Trust Index™](#) survey. Great Place to Work determines its lists using its proprietary For All methodology to evaluate and certify thousands of organizations in America's largest ongoing annual workforce study, based on over 1.1 million survey responses and data from companies representing more than 7 million employees, this year alone.
