

EA Unveils Eclectic Soundtracks for Skate It and Skate 2

Track List Boasts Songs From Some of the Biggest and Most Influential Artists of All-Time Including Black Sabbath, Public Enemy, The Clash and Wu-Tang Clan

REDWOOD CITY, Calif., Oct 23, 2008 (BUSINESS WIRE) -- Black Box, an Electronic Arts Inc. (NASDAQ:ERTS) studio, today revealed the soundtracks that will power the award-winning Skate It and Skate 2. These two skateboarding games bring the sport's incredible tricks, epic moves and high energy to gamers with all of the fun -- and none of the bruises! The 52 featured songs are from some of music's most influential and celebrated artists including Black Sabbath, Public Enemy, Judas Priest and Wu-Tang Clan.

"The soundtracks for Skate It and Skate 2 builds upon last year's critically acclaimed Skate soundtrack," said Chris Parry, Associate Producer. "The songs reflect the culture of skateboarding, with some tracks picked by the pros themselves, and others coming straight out of iconic skate videos. Skateboarding today is an eclectic mix of people and influences and this is true of where we took this year's soundtracks. Look for some old school soul and funk, a few rock anthems, some good beats and a lot of classic punk!"

"Skateboarding culture is like no other culture in the world and with that comes a unique sound of its own," said Steve Schnur, worldwide executive of music and marketing. "Our goal was to create two soundtracks that bring together classic acts and explosive new bands while fearlessly crossing all genres. This soundtrack is truly a tribute to the skate lifestyle, where legendary tracks by The Clash, Judas Priest and WAR can stand alongside cult legends like Dayton Sidewinders and The Specials as well as groundbreaking new acts like Awesome Snakes and Money Your Love."

Skate It and Skate 2 continue to deepen and expand the breadth of the Skate franchise. Skate It, a recent recipient of 2008's Best Wii(TM) Game award at the German Games Convention in Leipzig, brings the fun and soul of skateboarding to the Wii and the Nintendo DS(TM). Skate 2 lets players flaunt their style like never before with double the bag of tricks on the PLAYSTATION(R)3 system and the Xbox 360(R) video game and entertainment system.
