Supermicro® Announces Date of First Quarter Fiscal 2018 Preliminary Financial Information

SAN JOSE, Calif.--(BUSINESS WIRE)-- **Super Micro Computer, Inc. (NASDAQ:SMCI)**, a global leader in high-performance, high-efficiency server, storage technology and green computing, today announced that it will release first quarter fiscal 2018 preliminary financial information on Thursday, October 26, 2017.

As previously disclosed by the Company, additional time is needed for the Company to compile and analyze certain information and documentation and finalize its financial statements for the fiscal year ended June 30, 2017, as well as complete a related audit committee review prior to completion of the integrated audit of the consolidated financial statements incorporated into the Company's Annual Report on Form 10-K. The Company is unable at this time to provide a date as to when the Company's Annual Report on Form 10-K and Form 10-Q for the first quarter of fiscal 2018 will be filed.

Cautionary Statement Regarding Forward Looking Statements

Statements contained in this press release that are not historical fact may be forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Such forward-looking statements relate to the expected timing of the Company's announcement of preliminary financial results for the quarter ended September 30, 2017. Such forward-looking statements do not constitute guarantees of future performance and are subject to a variety of risks and uncertainties that could cause the Company to delay such announcement, including, but not limited to, the Company experiencing unanticipated delays in compiling its preliminary results for the quarter.
