

NEWS RELEASE

# Amentum Awarded \$447 Million Air Forces Prepositioned Asset Management Services Program

2025-01-09

CHANTILLY, Va.--(BUSINESS WIRE)-- Amentum (NYSE: AMTM), a global leader in advanced engineering and technology solutions, has been awarded the Air Forces Central Command Global Prepositioned Materiel Services (GPMS) contract to deliver and modernize prepositioned storage and maintenance solutions. The contract, valued at \$447 million, assures mission readiness at scale.

"This win demonstrates our expertise in delivering smart asset management solutions that maximize efficiency, extend asset lifecycles, and drive measurable value for customers," said Dr. Karl Spinnenweber, President, Amentum Mission Solutions business group. "This contract win shows our leadership in asset management, particularly during contingency operations when mission readiness is paramount."

Amentum will leverage proven technologies for smart asset management and a customized Data Management System (DMS) tailored to meet GPMS requirements. These proven Amentum solutions ensure assets are managed efficiently and in line with the rigorous standards of the U.S. military.

"Our team's dedication to innovation sets us apart as a leader in providing tailored advanced engineering and technology solutions to our customer's unique challenges," said Joe Kelly, SVP, Sustainment Analytics business line at Amentum.

About Amentum

Amentum is a global leader in advanced engineering and innovative technology solutions, trusted by the United States and its allies to address their most significant and complex challenges in science, security and sustainability. Our people apply undaunted curiosity, relentless ambition and boundless imagination to challenge convention and drive progress. Our commitments are underpinned by the belief that safety, inclusion and well-being are integral to success. Headquartered in Chantilly, Virginia, we have more than 53,000 employees in approximately 80 countries across all 7 continents.
