Amentum Receives Champions Award for Veteran Small Business Support

2023-11-01

CHANTILLY, Va., October 31, 2023 – Amentum was recently awarded the National Veterans Small Business Coalition's (NVSBC) distinguished Champions Award for subcontracting support of service-disabled and/or veteran owned small businesses (SD/VOSBs) in fiscal year 2022.

"Amentum has a storied history of support to military and veterans – as employees, as customers, and as business partners," said Billy Harlin, Vice President of Global Supply Chain Management. "We stand by our continued partnership commitment to the service-disabled and veteran owned small business communities."

The achievement of Amentum's FY22 SD/VOSBs subcontracting goals were the contributing factor in earning the 2022 NVSBC Champions Award.

"We deliver on our commitments at Amentum," said Rochelle Lowe, Sr. Manager, Small Business Liaison Office. "The important addition of SD/VOSBs in the compliment performance of our programs plays a critical role in our economy, our success, and the communities where we serve."

Amentum will be recognized at the 2nd Annual Veteran Small Business Advocate Awards Gala on November 14, 2023.

About National Veterans Small Business Coalition

The NVSBC is a non-profit organization whose mission is to provide nationally recognized training, networking, and advocacy for veteran small business entrepreneurs in the federal market to ensure they are procurement ready and have enhanced access to opportunities to start, operate, sustain, and grow competitive and strong businesses serving federal agencies and other government contractors. The more than 47,000 businesses that we represent greatly appreciate your support!
