Global M&A Network names DFIN the Americas M&A Virtual Data Room of the Year for its Venue® solution for the second year in a row

CHICAGO--(BUSINESS WIRE)-- Donnelley Financial Solutions (NYSE: DFIN), a leading global risk and compliance company, announced that it was recognized by the Global M&A Network as the Americas M&A Virtual Data Room Firm of the Year for its **Venue® Data Room** solution. DFIN accepted the award at the Global M&A Network's 11th Annual Americas M&A Atlas Awards celebration, held on Oct. 24 in New York City.

This marks the second consecutive year that DFIN was recognized for the Americas award in addition to being named the Global M&A Virtual Data Room Firm of the Year for four consecutive years. The Global M&A Network prestigious awards honor the world's best value-creating deals, outstanding firms, top dealmakers and legendary leaders from the global transactional communities.

"New technologies that use AI and machine learning to automate the deal making process are saving clients time and effort. Yet, with that efficiency, security becomes more critical for companies to maintain," said Craig Clay, president of Global Capital Markets at DFIN. "The consecutive recognition we've received from the Global M&A Network for our Venue data room, combined with our extensive expertise in secure deal solutions, underscores our commitment to deliver trusted innovation to our clients every day."

DFIN's **Venue data room** is a highly secure data room platform that allows global companies to manage, track and share confidential information at key moments during their business journey. Venue, combined with **eBrevia's** industry-leading artificial intelligence technology, automates contract reviews, extracting information from current and legacy contracts to reduce due diligence time by up to 67 percent.
