**7. Dividend declaration (voting item)**

The board of directors recommends that a dividend be declared to the shareholders in the amount of EUR 23,800,000 (**voting item - ordinary resolution**).

The directors have considered that this is justified on the basis of the Company's exceptional performance in the year 2024 and having considered the availability of profits for distribution as dividends.

Accordingly, the following resolution is proposed:

**Resolution 7: Ordinary Resolution**

*The payment of a dividend for the year 2024 in the amount of EUR 23,800,000 to the Company's shareholders having a right to participate in the Company's profits in accordance with the Company's Articles of Association is hereby approved, and each of the directors and/or the secretary is authorised and instructed to take such actions as may be necessary or desired to procure the payment of the dividend accordingly.*

**8. Increase of authorized share capital (voting item)**

Under the Cyprus law the share capital of a company consists of an authorised capital and an issued capital. The authorised capital is the maximum amount of share capital that the company is authorised by its constitutional documents to issue. Part of the authorised capital can remain unissued. The part of the authorised capital which has been issued to the shareholders is referred to as the issued share capital of the company. At the time of passing of this resolution the unissued share capital of the Company is EUR 50,000.00 divided into 5,000,000 Ordinary shares (the **Unissued Share Capital**).

The Board has proposed to increase the authorised share capital of the Company from EUR 750,000.10 divided into 75,000,000 Ordinary shares and 10 Ordinary class B shares with nominal value of EUR 0.01 each, to EUR 840,000.10 by the creation of 9,000,000 Ordinary shares (the **New Unissued Share Capital**) with nominal value of EUR 0.01 each. The proposed increase in the authorised share capital will give the Board greater flexibility with which to pursue the Company's evolving growth and M&A strategy, if required.

Therefore, the Existing Unissued Share Capital and after the approval of the proposed resolution, the New Unissued Share Capital together will lead to (i) an authorised and unissued share capital of up to EUR 140,000 divided into 14,000,000 Ordinary shares and (ii) a total authorised share capital of up to EUR 840,000.10 divided into 84,000,000 Ordinary shares and 10 Ordinary class B shares, each with nominal value of EUR 0.01.

Accordingly, the following resolution is proposed:

**Resolution 8: Special Majority Resolution**

*That the authorised share capital of the Company be increased from EUR 750,000.10 divided into 75,000,000 ordinary shares of nominal value of EUR 0.01 each and 10 Ordinary class B shares of nominal value of EUR 0.01 each to EUR 840,000.10 divided into 84,000,000 ordinary shares with nominal value of EUR 0.01 each and 10 Ordinary class B shares with nominal value of EUR 0.01 each, by the creation of 9,000,000 Ordinary shares with nominal value of EUR 0.01 each.*

**9. Disapplication of pre-emption rights (voting item)**

A separate report from the directors in connection with the proposed disapplication of pre-emption rights is enclosed as Annex 3. The proposal for disapplication of pre-emption rights will apply for all issuances of shares referred to therein.

Accordingly, the following resolution is proposed:

**Resolution 9: Special Majority Resolution**

*That any pre-emption rights conferred under or pursuant to the articles of association of the Company and section 60B of the Cyprus Companies Law, Cap. 113, as well as any other pre-emption rights or rights of first refusal, howsoever arising, be and are hereby unconditionally waived and dis-applied in connection with the proposed issue of up to 14,000,000 Ordinary shares at par or at a premium, as the board of directors deem fit, for a period of 12 months from the date of this general meeting, i.e. up to and including 5 June 2026.*

**10. Authority to board of directors to issue shares (voting item)**

It is proposed that authorisation be given to the Board to allot and issue shares out of the authorised but unissued share capital (including as increased from time to time), as ordinary shares, for a period up to the first anniversary of the date of this general meeting, i.e. 5 June 2026.

Accordingly, the following resolution is proposed:

**Resolution 10: Ordinary Resolution**

*That the Board of Directors be and is hereby authorised to allot and issue shares from the unissued authorised share capital of the Company (including as increased from time to time), as ordinary shares on such terms as the Board of Directors deems fit, for a period up to and including the first anniversary of this general meeting i.e. 5 June 2026.*

**11. Authority to board of directors for buy-back of shares (voting item)**

The board of directors of the Company proposed that the Company is authorised to buy-back Ordinary shares (the **Buy-Back**) in accordance with sections 57A to 57F of the Cyprus Companies Law, Cap. 113 and in accordance with Regulation 28 of the *Company's Articles of Association*.

The Directors believe that it is in the best interests of the Company and its shareholders to have the flexibility to purchase its own shares.

It is only expected to exercise the authority i) in relation to purchasing and holding shares in treasury to fulfil the Company's future plans to set-up a long-term employee incentive scheme and ii) where the Board believes that the purchase and any subsequent disposal of shares would be in the best interest of shareholders generally due to the prevailing share price at the time.

The proposed authority is in respect of no more than 2% of the Company's issued Ordinary share capital (excluding treasury shares).

This authorisation, upon being sanctioned, will be valid for 12 months from the date of this general meeting, i.e. 5 June 2026.

Accordingly, the following resolution is proposed:

***Resolution 11: Special Resolution***

*That the Board of Directors be and is hereby authorised to buy back no more than 2% of the Company's issued Ordinary shares within 12 months from the date of this general meeting, i.e. 5 June 2026:*

*PROVIDED that:*

- i. the number of ordinary shares that will be acquired and held by the Company shall not exceed in aggregate 2 % of the issued share capital of the Company;*
- ii. the duration of the authorization for the buy-back of the ordinary shares shall terminate twelve months from the date of this resolution;*
- iii. the acquired ordinary shares will be disposed of by the Company within 24 months from the date they are acquired by the Company;*
- iv. the price of the ordinary shares to be bought back and held by or on behalf of the Company shall not be less than EUR 0.01 and shall not exceed 5% of the average market price of the shares of the Company during the last five stock exchange sessions before carrying out the proposed acquisition;*
- v. such buy-back is in accordance with the Company's Articles of Association;*
- vi. the cash consideration paid by the Company in respect of the acquisition of ordinary shares is to be paid out of the realized and non-distributed profits of the Company;*

- vii. *the acquisition of ordinary shares shall not have the effect of reducing the net assets of the Company below the amount of the subscribed capital plus those reserves which may not be distributed under Cyprus Companies Law, CAP. 113 (in accordance with section 169A of the Cyprus Companies Law, CAP. 113) or the Company's Articles of Association.*

*The Board be and is hereby authorised to decide on and eventually proceed with the buy-back of the Company's ordinary shares as it thinks fit and proper always within the scope of this resolution and to take all requisite actions to effect the buy-back including entering into such agreements with third parties as they deem necessary.*

**12. Approval of the reduction of the required notice period for general meetings (voting item)**

Pursuant to the Cyprus Companies Law, Cap. 113 of the statutes of the Republic of Cyprus, the general meeting may approve the reduction of the notice period for convening of a general meeting, other than in respect of an annual general meeting or meeting at which a special resolution is being proposed, to 14 days. There may be situations where the Company would need to obtain swift approval from the shareholders in an extraordinary general meeting and therefore, to cater for such possibility, it is regarded as being in the Company's and the shareholders' common interest for the notice period to be reduced to 14 days.

Accordingly, the following resolution is proposed:

***Resolution 12: Special Resolution***

*The notice period for convening an extraordinary general meeting of the Company, other than an extraordinary general meeting at which a special resolution is proposed to be passed, is hereby reduced to 14 days.*

**13. Any other business.**

**14. Closing of the AGM.**

(the “Company”)

DIRECTORS REPORT

(the **Report**)

IN ACCORDANCE WITH SECTION 60B(5) OF THE COMPANIES LAW, CAP 113 OF THE STATUTE LAWS OF CYPRUS

IN RELATION TO THE RESTRICTION AND EXCLUSION OF THE PRE-EMPTION RIGHTS OF THE HOLDERS OF SHARES IN THE COMPANY

This Report has been prepared in connection with the annual general meeting of the Company to be held on 5 June 2025 (the **AGM**) and a Special Majority Resolution contained therein, where it is proposed to waive the pre-emption rights of the holders of Ordinary shares in the Company under or pursuant Regulations 12 and 13 of the articles of association of the Company (the **Articles**) and section 60B of the Companies Law Cap. 113 (the **Companies Law**) of the statute laws of the Republic of Cyprus (the “**Pre-emption Rights**”), in respect of the possible issue of up to 14,000,000 of Ordinary shares of nominal value of EUR 0.01 each (the **Proposed Issue**).

As set out in the notice sent calling the AGM (the **Notice**), we propose to increase our share capital by EUR 90,000.00 and provide an authority to the Board for up to 14,000,000 shares to be allotted and issued as Ordinary shares (the **Proposed Shares**).

In order for the members of the Company (the **Members**) to consider and decide whether to waive and dis-apply the Pre-emption Rights, the board of directors (the **Board**) must prepare a written report, in accordance with section 60B of the Companies Law Cap 113, indicating the reasons for wishing to exclude the Pre-emption Rights and justifying the subscription price of the Proposed Shares which Report ought to be presented to the AGM. This Report constitutes the mandatory report required to be made under the Companies Law in connection with this proposed disapplication of the Pre-emption Rights.

It is noted that, if the AGM approves the proposed Special Majority Resolution, the Board will have the power to allot and issue the Proposed Shares out of the authorized but unissued share capital (including

as increased from time to time) at an issue price to be determined by the board of directors taking into consideration external advice by financial advisors and in any case not lower than the nominal value of the existing shares, namely €0.01 each. The authority shall be valid for a period of 12 months from the date of passing of the Special Majority Resolution at the AGM.

The disapplication of the pre-emption rights of the Members regarding the Proposed Shares is required in order to provide flexibility to the Company to strengthen its position in the market in accordance with the plans it wishes to implement.

From the experience of the Board and as it has been emphasized to the Board by the consultants engaged by the Company at different occasions, it is important that the Company has the ability to act quickly in cases where the Company needs to strengthen its market position or otherwise take advantage of investment and other opportunities which may occur depending on the market moves at different times and which could mean that the Company should need to proceed and issue shares.

In addition, the Board at situations in which it could determine fit, depending on potential situations in which it may be deemed beneficial to issue shares out of the unissued authorized share capital will differ, and it is difficult to predict all the various factors which may be relevant when determining the correct issue share price in connection with any particular issue of the Proposed Shares, the Board proposes that the subscription price in any share issues resolved by the Board using the unissued authorized share capital, is left to the discretion of the Board, but in any event it shall not be less than the nominal value of the existing shares of the Company, namely €0.01 each. The Board may at each given time, when determining the subscription price in a potential Proposed Share issue, take external advice from financial advisors and will take into consideration the best interests of all the shareholders of the Company as a whole.

Based on the above it is proposed that the existing shareholders' preferential rights to subscribe for the Proposed Shares pursuant to Section 60B of the Companies Law, Cap 113 are waived and dis-applied for the shares authorized in the proposed Special Majority Resolution.
