WHEELING, W.Va., May 25, 2018 /PRNewswire/ -- WesBanco, Inc. (Nasdaq: WSBC), a diversified, multi-state bank holding company, today announced that the central Ohio market of its affiliate, WesBanco Bank, has been awarded a 2018 Top Workplaces honor by Columbus C.E.O. Magazine. The Top Workplaces list is based solely on employee feedback gathered through a third-party survey administered by Energage, LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection.

"For the third year in a row, WesBanco has been voted a Top Workplace by our employees," says Lisa Robinson-Shaw, WesBanco Market President for Central Ohio. "We are very appreciative to again receive this high honor, and would like to thank our employees and congratulate them for their hard work and tireless commitment to our customers and communities. Our success is not possible without their integrity, dedication, and passion. For almost 150 years, WesBanco has continuously strived to create a better bank by providing superior customer satisfaction, as demonstrated by our Better Banking Pledge, as well as pathways for employee success."

"Top Workplaces is more than just recognition," said Doug Claffey, CEO of Energage. "Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement. Becoming a Top Workplace isn't something organizations can buy, it is an achievement organizations have worked for and a distinction that gives them a competitive advantage. It's a big deal."
