WesBanco was ranked the #1 bank in Ohio and the #2 bank in Kentucky.

The Best-In-State Banks list is based on an independent survey of approximately 26,000 U.S. consumers who were asked to rate banks at which they have, or previously had, checking accounts. Participants made recommendations regarding overall satisfaction; they also assessed banks in the following areas: Trust, Terms & Conditions, Branch Services, Digital Services, Customer Service, and Financial Advice. Across all states, just 133 banks were recognized, representing less than 3% of all U.S. banks. The awards list can be viewed on the Forbes website.
