eHealth Earns 2025-26 Great Place To Work Certification™, Recognizing the Company's Strong Culture for the Second Year

2025-10-02

AUSTIN, Texas, Oct. 2, 2025 /PRNewswire/ -- **eHealth** (Nasdaq: EHTH), a leading online private health insurance marketplace, today proudly announces its certification by Great Place To Work® (GPTW), a global leader in workplace culture recognition.

This is the second year eHealth has earned this prestigious certification, based on feedback from current employees about their experiences. This year, an impressive 87% of eHealth employees said **eHealth is a Great Place To Work**— 30 points higher than the average U.S. company, according to GPTW. eHealth employees overwhelmingly indicated their satisfaction with the company's culture, leadership, and overall employee experience.

"Our culture isn't built by chance, it's built by choice," said Jana Brown, Chief Human Resources Officer at eHealth. "We are proud to once again earn the Great Place To Work-Certified™ recognition, as this year was pivotal in our evolution. We thoughtfully welcomed and integrated our new CEO, Derrick Duke, heightened our focus on employee growth and leadership development, and reconfirmed our dedication to creating an inclusive, connected eHealth CommUNITY where everyone knows they belong and understands their role in driving our shared success."

Great Place To Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention and increased innovation.

"Great Place To Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience," said Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place To Work. She emphasizes that Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. "By successfully earning this recognition, it is evident that eHealth stands out as one of the top companies to work for, providing a great workplace environment for its employees."

According to **Great Place To Work research**, job seekers are 4.5 times more likely to find a great boss at a Certified great workplace. Additionally, employees at Certified workplaces are 93% more likely to look forward to coming to work, and are twice as likely to be paid fairly, earn a fair share of the company's profits and have a fair chance at promotion.
