#### About CVG

CVG is a global provider of components and assemblies into two primary end markets – the global vehicle market and the U.S. technology integrator markets. The company provides components and assemblies to global vehicle companies to build original equipment and provides aftermarket products for fleet owners. The company also provides mechanical assemblies to warehouse automation integrators and to U.S. military technology integrators. Information about the Company and its products is available on the internet at [www.cvgrp.com](http://www.cvgrp.com).
