

NEWS RELEASE

CVG Is Set to Join the Russell 2000® Index

2026-06-23

NEW ALBANY, Ohio, June 23, 2026 (GLOBE NEWSWIRE) -- CVG (NASDAQ: CVGI), a diversified industrial products and services company, announced that it is expected to join the U.S. small-cap Russell 2000® Index and the broad-market Russell 3000® Index as part of the 2026 reconstitution of the Russell U.S. Indexes. The reconstituted indexes will take effect after the U.S. equity markets close on Friday, June 26, 2026.

“We are pleased to be added as a member of the Russell 2000® Index, one of the most widely tracked benchmarks for U.S. small-cap companies,” commented Angie O’Leary, Interim Chief Financial Officer. “As we continue to execute our strategy and optimize operations, we are excited to connect with a wider network of investors.”

Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. According to data as of the end of June 2025, about \$12.2 trillion in assets are benchmarked against the Russell US indexes, which belong to FTSE Russell, the global index provider.

For more information on the Russell 2000® Index and the Russell indexes reconstitution, go to the “Russell Reconstitution” section on the **FTSE Russell website**.

About CVG

CVG is a global provider of systems, assemblies and components to global commercial vehicle markets and electric vehicle markets. We deliver real solutions to complex design, engineering and manufacturing problems while creating positive change for our customers, industries and communities we serve. About FTSE Russell, an LSEG Business

FTSE Russell is a global index leader that provides innovative benchmarking, analytics and data solutions for investors worldwide. FTSE Russell calculates thousands of indexes that measure and benchmark markets and asset classes in more than 70 countries, covering 98% of the investable market globally. FTSE Russell index expertise and products are used extensively by institutional and retail investors globally.

Approximately \$21.20 trillion is benchmarked to FTSE Russell indexes. Leading asset owners, asset managers, ETF providers and investment banks choose FTSE Russell indexes to benchmark their investment performance and create ETFs, structured products and index-based derivatives.

A core set of universal principles guides FTSE Russell index design and management: a transparent rules-based methodology is informed by independent committees of leading market participants. FTSE Russell is focused on applying the highest industry standards in index design and governance and embraces the IOSCO Principles. FTSE Russell is also focused on index innovation and customer partnerships as it seeks to enhance the breadth, depth and reach of its offering.

FTSE Russell is wholly owned by LSEG.

Forward-Looking Statements

This press release contains forward-looking statements that are subject to risks and uncertainties. These statements often include words such as “believe”, “anticipate”, “plan”, “expect”, “intend”, “will”, “should”, “could”, “would”, “project”, “continue”, “likely”, and similar expressions. In particular, this press release may contain forward-looking statements about the Company’s expectations for future periods with respect to its plans to improve financial results, the future of the Company’s end markets, including, but not limited to, global commercial vehicle markets and electric vehicle markets, changes in the North America Class 8 and Class 5-7 truck build rates, performance of the global construction and agricultural equipment businesses, the Company’s prospects in the global commercial vehicle markets and electric vehicle markets, the Company’s initiatives to address customer needs, organic growth, the Company’s strategic plans and plans to focus on certain segments, competition faced by the Company, volatility in and disruption to the global economic environment including global supply chain constraints, inflation and labor shortages, tariffs and counter-measures, financial covenant compliance, anticipated effects of acquisitions or divestitures, production of new products, plans for capital expenditures, and the Company’s financial position or other financial information. These statements are based on certain assumptions that the Company has made in light of its experience as well as its perspective on historical trends, current conditions, expected future developments and other factors it believes are appropriate under the circumstances.

Actual results may differ materially from the anticipated results because of certain risks and uncertainties, including those included in the Company's filings with the SEC. There can be no assurance that statements made in this press release relating to future events will be achieved. The Company undertakes no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results over time. All subsequent written and oral forward-looking statements attributable to the Company or persons acting on behalf of the Company are expressly qualified in their entirety by such cautionary statements.
