Commercial Vehicle Group (CVG) Participates In Agritechnica Show In Hanover, Germany

2017-10-19

NEW ALBANY, Ohio, Oct. 19, 2017 /PRNewswire/ -- Commercial Vehicle Group, Inc. (the "Company" or "CVG"), (Nasdaq: CVGI), a leading supplier of fully-integrated system solutions for the global commercial vehicle market, announced today that it will participate in Agritechnica, the leading trade fair for agriculture machinery, in Hanover, Germany, from November 12th - 18th, 2017.

CVG is displaying the SCIOX range of seats, a new generation seat line for the Agriculture vehicle markets. The SCIOX product line is being marketed under the KAB Seating brand for the Global market. KAB Seating has been a leading player in the vehicle seating market since 1968. With its beginnings in the Construction sector, KAB Seating's expertise now expands to producing seats for a wide range of commercial sectors, including the Agricultural sector. The SCIOX range has been developed to offer some major feature improvements which enhance the overall performance of the seat for the user. Improved cushion comfort is offered as standard across the SCIOX range. An engineered foam deflection strategy combined with deeper bolsters reduces stress and strain on the driver. Additionally, a new passive progressive adjustable damping system gives improved response over rough terrain. Gary Hamberg, Vice President and Global Product Line Manager for Construction & Agriculture Seats, explains "KAB Seating is a major seat manufacturer to the global commercial sector and we are excited to introduce our new generation SCIOX seat line to the agricultural market featuring KAB's reliable, high performing, durable suspension technology, coupled with new modern styled comfort foams and cover materials. Other key features include a new occupant sensor with higher sensitivity specifications to ensure the driver's safety. This seat was designed around having the farmer's health, safety, and comfort in mind."

The new KAB Seating SCIOX line-up will be on display for a wide range of medium and large agricultural vehicle applications, presenting the range of driver seats from Base to Premium+, with increased levels of customizable

options and styling to tailor the seat to the customer's liking.

Various other product lines will be on display for commercial applications. Attendees are invited to visit the KAB Seating booth located in Hall 17 / Stand D13.
