- The launch of its new generation seats into the Agricultural vehicle market
NEW ALBANY, Ohio, Nov. 8, 2016 /PRNewswire/ -- Commercial Vehicle Group, Inc. (the "Company" or "CVG"), (NASDAQ: CVGI), a leading supplier of fully-integrated system solutions for the global commercial vehicle market, announced today that it will participate in the EIMA INTERNATIONAL Exhibition for Agricultural and Gardening Machinery in Bologna, Italy, November 9-13, 2016.

CVG will be launching its new generation seats under the KAB Seating brand, for the Global Agricultural vehicle market. KAB Seating has been a leading player in the vehicle seating market since 1968. Its expertise was originally grounded in the Construction market, serving a variety of Original Equipment Manufacturers. The brand has since expanded to cover a wide range of commercial vehicle sectors. The launching of our new seats into the Agricultural vehicle market is a significant milestone for KAB Seating. Gary Hamberg, Vice President and Global Product Line Manager for Construction & Agriculture Seats, states "We are excited to present our new generation seats for the Global Agricultural vehicle market. Leveraging our experience in construction and other commercial vehicle sectors, our seats reflect our focus on durability, comfort, safety and reliability while adopting more modern influences on our styling and choice of materials."

The new KAB Seating line-up will be on display for a wide range of medium and large agricultural vehicle applications, presenting the range of driver seats from Base to Premium, with increased levels of customizable options and styling to tailor the seat to the customer's liking.

Various other product lines will be on display including wire harnesses and wiper systems for commercial applications. Attendees are invited to visit the CVG booth located in Hall 18ter / Stand A6.
