Commercial Vehicle Group Launches New FinishTEK Website

2018-08-23

NEW ALBANY, Ohio, Aug. 23, 2018 /PRNewswire/ -- Commercial Vehicle Group, Inc. (the "Company") (NASDAQ: CVGI) a leading supplier of fully-integrated system solutions for the global commercial vehicle market, issued a statement today announcing the release of its new website for the FinishTEK product line.

The website gives an overview of FinishTEK's history and capabilities, has a product and patterns gallery, and gives both new and current customers the ability to contact CVG representatives. Director and Product Line Manager, Daniel Lewis, noted that "the new website was created to highlight our world-class capabilities and how we can serve customers across various markets." CVG hopes that the website will generate positive feedback and opportunities for growth.

CVG FinishTEK was founded in 1993 as "Daltek Inc." and has grown to become a company synonymous with innovation in plastics decorating and finishing. In 2012, Daltek was purchased by Commercial Vehicle Group and became FinishTEK. FinishTEK offers customers a wide variety of cost-effective finishes in hydrographics, paint, and UV hard coating. FinishTEK was among the first to deploy robotics in the hydrographic decorating process and has approximately 200 years of combined staff experience in industrial decorating. FinishTEK is capable of supporting both high and low volume programs, serving several markets including Powersports, Appliance, Automotive, Outdoors, and more. Hundreds of finishes (carbon fiber, camouflage, marble, metal, wood grain, etc.) are available, as well as the opportunity to create custom patterns.

A link to the website is provided below.
