# Commercial Vehicle Group's Bostrom Seating Brand Introduces A New Premium Seat And Seat Options To Its All-Makes Seat Line-Up

2015-08-27

- Wide Ride™ Core seat with optional 'Smart' memory switch feature available to order immediately

NEW ALBANY, Ohio, Aug. 27, 2015 /PRNewswire/ -- Commercial Vehicle Group, Inc., (Nasdaq: CVGI) is proud to introduce a new premium seat to its Bostrom Seating brand's premium all-makes seat offering for class 7 and 8 heavy-duty trucks.

Available to order immediately, the new Wide Ride™ Core seat built on our new generation Wide Ride II platform will deliver the benefits of a wider seat design with new features and options such as:

- A 23-inch wide seat cushion, cushion extension and front and rear cushion tilt;
- A new optional 'Smart' seat memory switch that enables drivers to quickly exit the vehicle by deflating the seat and upon returning to the seat, inflating it; and
- A new color option, Saddle with Ultraleather™ or genuine leather.

Patrick Miller, President of CVG's Global Truck & Bus division said, "We are excited about the launch of Wide Ride™ Core. This new seat will extend our popular Wide Ride II product platform into additional vocational and regional applications."

The introduction of the Wide Ride™ Core will complete a generational change in Bostrom Seating's premium seat line-up. More information will be available at <http://www.bostromseating.com>.

Ultraleather™, is a registered trademark of Ultrafabrics, LLC.
