Belden Hosts Educational Webcast for the Investor Community

ST. LOUIS--(BUSINESS WIRE)-- Belden Inc. (NYSE: BDC), a global leader in high quality, end-to-end signal transmission solutions for mission-critical applications, today has posted an educational webcast for investors and press on the subject of mergers and acquisitions. The event hosted by Investor Relations features Ross Rosenberg, Senior Vice President of Corporate Development and Strategy. The webcast will provide insight into Belden's M&A strategy, integration process and potential impact resulting from the acquisition of attractive, market-leading companies.

Interested parties can view this event on Belden's Investor Relations website at investor.belden.com.

No previously unannounced topics or transactions will be addressed on this webcast.

About Belden

Belden Inc. delivers a comprehensive product portfolio designed to meet the mission-critical network infrastructure needs of industrial, enterprise and broadcast markets.
