

Penguin Solutions End-to-End AI Infrastructure Solutions on Display at SC24

2024-11-13

Penguin to lead sessions and demos for overcoming challenges in the AI deployment journey including infrastructure management, and compute and memory solutions

FREMONT, Calif.--(BUSINESS WIRE)-- **Penguin Solutions, Inc.** (Penguin Solutions, Nasdaq: **PENG**) today announced its participation at **Supercomputing 24 (SC24)**, which will include product demonstrations, speaking engagements, and presence on the show floor. Known as the international conference for high-performance computing (HPC), networking, storage, and analysis, SC24 takes place in Atlanta, November 18-22. The event draws leading professionals from academia, government, industry, and research institutions, serving as an important forum for discussing advances in computational science and large-scale computing environments.

With 25+ years of HPC experience and more than 85,000 GPUs deployed and managed to date, at SC24 Penguin Solutions will showcase technology demos and ways to learn about advancements developed in partnership with leading customers and partners to harness the power of AI. (Graphic: Business Wire)

What: Penguin Solutions booth #1523 at SC24

When: Monday, November 18 - Friday, November 22

Where: Georgia World Congress Center, 285 Andrew Young International Blvd NW, Atlanta, GA 30313

With over 25 years of high-performance computing experience and more than 85,000 GPUs deployed and managed to date, Penguin Solutions will provide compelling technology demos and multiple ways to learn about advancements developed in partnership with leading customers including **Georgia Institute of Technology** to harness the power of AI.

Technology Demonstrations

- **OriginAI ®** | AI Factory Solution
- **Scyld ClusterWare™** | Intelligent Cluster Management
- **Stratus ztC Endurance™** | Fault Tolerant Computing for AI Inferencing
- **SMART® Modular Memory Technology** | Cutting-Edge Memory Solutions

Speaking Engagements

- **The Making of AI Makerspace — Georgia Tech's Innovative AI Digital Sandbox**
Dell Booth #2831
Presented by: Didier Contis, executive director at Georgia Tech and Joe Castillo, vice president at Penguin Solutions
Tuesday, November 19 from 11:30 – 11:45 a.m. ET
- **Innovative Data Center Cooling: Driving HPC/AI Advances and Sustainability Exhibitor Forum** Room B206
Presented by: Phil Pokorny, Chief Technology Officer at Penguin Solutions
Tuesday, November 19 from 4:00 - 4:30 p.m. ET
- **The New Era of Processor Design Innovation RISC-V | Exhibitor Forum** Room B206
Presented by: Phil Pokorny, Chief Technology Officer at Penguin Solutions
Wednesday, November 20 from 1:30 - 2:00 p.m. ET

Sponsorships and Partnerships

- **Beowulf Bash** | Penguin Solutions is a gold sponsor.
- **Student Cluster Competition**
- Penguin Solutions is proud to sponsor the University of New Mexico team alongside Dell Software.
- **Cornelis Networks** and Penguin Solutions Raffle | Booth #1003
- Complete a brief questionnaire for a chance to win a HIWONDER Quadruped Robotic Bionic Robot Dog.
- Click **Penguin Solutions at SC23** to view all activities.
