Flowserve Announces Revised Dates for Fourth Quarter and Full Year 2013 Results

02/12/14

Flowserve Corporation (NYSE:FLS), a leading provider of flow control products and services for the global infrastructure markets, announced today a one day acceleration of its previously released schedule for the release of its fourth quarter and full year 2013 financial results. The company announced that, after the close of the New York Stock Exchange (NYSE) on Tuesday, February 18, 2014, it plans to file its Form 10-K with the Securities and Exchange Commission as well as issue its earnings release and earnings call presentation for the 2013 fourth quarter and full year.

The following morning, on Wednesday, February 19, 2014, the company will hold its conference call with the financial community at 11:00 a.m. Eastern time. Mark Blinn, president and chief executive officer, as well as other members of the management team will be presenting. The call can be accessed by shareholders and other interested parties at www.flowserve.com under the "Investor Relations" section.
