

# Carter Bank & Trust Receives Notice of Non-Compliance from Nasdaq Related to Previously Announced Delayed Filing of Annual Report on Form 10-K

2020-05-18

MARTINSVILLE, VA / ACCESSWIRE / May 18, 2020 /Carter Bank & Trust (the "Bank") (NASDAQ:CARE) today announced that it received notice from The Nasdaq Stock Market LLC ("Nasdaq") stating that because the Bank has not yet filed its Annual Report on Form 10-K for the period ended December 31, 2019 (the "Annual Report"), the Bank is not in compliance with Nasdaq Listing Rule 5250(c)(1), which requires timely filing of periodic financial reports with the Securities and Exchange Commission or, in the Bank's case, the Federal Deposit Insurance Corporation ("FDIC").

As previously disclosed, the Bank and its auditor are currently evaluating collateral supporting one impaired loan relationship. The Bank's evaluation of the collateral is dependent, in part, on the results of a pending independent appraisal regarding the collateral. The appraisal report and the Bank's evaluation thereof with its auditor could potentially impact the financial statements to be included in the Annual Report. In addition, the evaluation may require the Bank to assess whether a potential deficiency exists in internal controls related to the valuation of impaired loans within the Bank's Allowance for Loan Losses, which could affect prior periods. Due to the effects of the novel coronavirus ("COVID-19") pandemic, the process of obtaining the independent appraisal and evaluating the collateral has been slowed, and, consequently, the Bank was unable to complete preparation of the Annual Report and file within the deadline, as extended by SEC rules.

The Bank has until July 14, 2020, to submit a plan to regain compliance with Nasdaq's continued listing requirements.

The Bank expects to file the Annual Report with the FDIC prior to July 14, 2020 and thereby regain compliance with the Nasdaq Listing Rules. The notice has no immediate impact on the listing of the Bank's common stock, which will continue to trade on Nasdaq, subject to the Bank's compliance with the other continued listing requirements.
