

Sonoco Increases Common Stock Dividend by Nearly 6 Percent

April 20, 2016 11:51 AM ET

HARTSVILLE, S.C., April 20, 2016 (GLOBE NEWSWIRE) -- The Board of Directors of Sonoco (NYSE:SON) today declared a \$.37 per share quarterly common stock dividend, a 5.7 percent increase from the previous quarterly dividend of \$.35 per share. The dividend will be paid on June 10, 2016, to shareholders of record as of May 13, 2016.

According to Jack Sanders, president and chief executive officer, this is the 34th consecutive year that Sonoco has raised common stock dividends and the 364th consecutive quarter, dating back to 1925, that the Company has paid dividends to shareholders. If annualized, Sonoco's new dividend is projected to increase to \$1.48 per share, from \$1.37 paid in 2015.

"Today's dividend increase demonstrates our confidence in the continued earnings growth of Sonoco and our dedication to returning value to our shareholders," said Sanders. "For more than nine decades, Sonoco has been committed to paying consecutive quarterly dividends to our shareholders, and over the past decade we have returned more than \$1.5 billion in cash to shareholders in the form of increased dividends and share repurchases. In addition to paying higher dividends in 2016, Sonoco also is repurchasing up to \$100 million of our outstanding common stock. Combined, we expect to return approximately \$240 million in cash to shareholders."

Sonoco's projected annualized dividend of \$1.48 per share provides a yield of 3.0 percent, based on the Company's closing stock price of \$48.80 on April 19, 2016. Sonoco's dividend yield is one of the highest payouts provided by any U.S. packaging company and is about 35 percent higher than the dividend yield of the S&P 500.

About Sonoco

Founded in 1899, Sonoco is a global provider of a variety of consumer packaging, industrial products, protective packaging, and displays and packaging supply chain services. With annualized net sales of approximately \$5 billion, the Company has 21,000 employees working in more than 330 operations in 34 countries, serving some of the world's best known brands in some 85 nations. Sonoco is a proud member of the 2015/2016 Dow Jones Sustainability World Index. For more information on the Company, visit our website at www.sonoco.com.

Forward-looking Statements

Statements included in herein that are not historical in nature, are intended to be, and are hereby identified as "forward-looking statements" for purposes of the safe harbor provided by Section 21E of the Securities Exchange Act of 1934, as amended. In addition, the Company and its representatives may from time to time make other oral or written statements that are also "forward-looking statements." Words such as "estimate," "project," "intend," "expect," "believe," "consider," "plan," "strategy," "opportunity," "commitment," "target," "anticipate," "objective," "goal," "guidance," "outlook," "forecast," "future," "re-envision," "will," "would," "can," "could," "may," "might," "aspires," "potential," or the negative thereof, and similar expressions identify forward-looking statements.

Forward-looking statements include, but are not limited to, statements regarding: availability and supply of raw materials, and offsetting high raw material costs; improved productivity and cost containment; improving margins and leveraging strong cash flow and financial position; effects of acquisitions and dispositions; realization of synergies resulting from acquisitions; costs, timing and effects of restructuring activities; adequacy and anticipated amounts and uses of cash flows; expected amounts of capital spending; refinancing and repayment of debt; financial strategies and the results expected of them; financial results for future periods; producing improvements in earnings; profitable sales growth and rates of growth; market leadership; research and development spending; extent of, and adequacy of provisions for, environmental liabilities; adequacy of income tax provisions, realization of deferred tax assets, outcomes of uncertain tax issues and tax rates; goodwill impairment charges and fair values of reporting units; future asset impairment charges and fair values of assets; anticipated contributions to pension and postretirement benefit plans, fair values of plan assets, long-term rates of return on plan assets, and projected benefit obligations and payments; creation of long-term value and returns for shareholders; continued payment of dividends; and planned stock repurchases.

Such forward-looking statements are based on current expectations, estimates and projections about our industry, management's beliefs and certain assumptions made by management. Such information includes, without limitation, discussions as to guidance and other estimates, perceived opportunities, expectations, beliefs, plans, strategies, goals and objectives concerning our future financial and operating performance. These statements are not guarantees of future performance and are subject to certain risks, uncertainties and assumptions that are difficult to predict.

Therefore, actual results may differ materially from those expressed or forecasted in such forward-looking statements. The risks, uncertainties and assumptions include, without limitation:

- availability and pricing of raw materials, energy and transportation, and the Company's ability to pass raw material, energy and transportation price increases and surcharges through to customers or otherwise manage these commodity pricing risks;
- costs of labor;
- work stoppages due to labor disputes;
- success of new product development, introduction and sales;
- consumer demand for products and changing consumer preferences;
- ability to be the low-cost global leader in customer-preferred packaging solutions within targeted segments;
- competitive pressures, including new product development, industry overcapacity, and changes in competitors' pricing for products;
- ability to maintain or increase productivity levels, contain or reduce costs, and maintain positive price/cost relationships;
- ability to improve margins and leverage cash flows and financial position;
- continued strength of our paperboard-based tubes and cores and composite can operations;
- ability to manage the mix of business to take advantage of growing markets while reducing cyclical effects of some of the Company's existing businesses on operating results;
- ability to maintain innovative technological market leadership and a reputation for quality;
- ability to profitably maintain and grow existing domestic and international business and market share;
- ability to expand geographically and win profitable new business;
- ability to identify and successfully close suitable acquisitions at the levels needed to meet growth targets, and successfully integrate newly acquired businesses into the Company's operations;
- the costs, timing and results of restructuring activities;
- availability of credit to us, our customers and suppliers in needed amounts and on reasonable terms;
- effects of our indebtedness on our cash flow and business activities;
- fluctuations in obligations and earnings of pension and postretirement benefit plans;
- accuracy of assumptions underlying projections of benefit plan obligations and payments, valuation of plan assets, and projections of long-term rates of return;
- cost of employee and retiree medical, health and life insurance benefits;
- resolution of income tax contingencies;
- foreign currency exchange rate fluctuations, interest rate and commodity price risk and the effectiveness of related hedges;
- changes in U.S. and foreign tax rates, and tax laws, regulations and interpretations thereof;
- accuracy in valuation of deferred tax assets;
- accuracy of assumptions underlying projections related to goodwill impairment testing, and accuracy of management's assessment of goodwill impairment;
- accuracy of assumptions underlying fair value measurements, accuracy of management's assessments of fair value and fluctuations in fair value;
- liability for and anticipated costs of environmental remediation actions;
- effects of environmental laws and regulations;
- operational disruptions at our major facilities;
- failure or disruptions in our information technologies;

- loss of consumer or investor confidence;
- ability to protect our intellectual property rights;
- actions of domestic or foreign government agencies and changes in laws and regulations affecting the Company;
- international, national and local economic and market conditions and levels of unemployment; and
- economic disruptions resulting from terrorist activities and natural disasters.

The Company undertakes no obligation to publicly update or revise forward-looking statements, whether as a result of new information, future events or otherwise. In light of these risks, uncertainties and assumptions, the forward-looking events discussed herein might not occur.

Additional information concerning some of the factors that could cause materially different results is included in the Company's reports on forms 10-K, 10-Q and 8-K filed with the Securities and Exchange Commission. Such reports are available from the Securities and Exchange Commission's public reference facilities and its website, sec.gov, and from the Company's investor relations department and the Company's website, www.sonoco.com.
