RLI Transportation Announces Partnership With TruckerCloud

2025-04-02

PEORIA, Ill.--(BUSINESS WIRE)-- RLI Corp. (NYSE: RLI) -- RLI Transportation, a division of RLI Insurance Company, has announced a partnership with TruckerCloud, a leading technology company specializing in onboard camera and telematics data integration.

This partnership will provide RLI Transportation with a unified telematics insights solution, enabling the development of more proactive and personalized safety and risk management programs for RLI commercial transportation customers.

"Managing risk and improving fleet safety is a high priority for our customers," said Jamie Wilson, RLI Transportation, Assistant Vice President of Loss Control. "Our partnership with TruckerCloud will deliver greater value for insureds through an easier data-sharing experience. It will also provide the Loss Control team with data-driven insights and enhanced risk management tools that can help improve insured safety and prevent costly losses."

TruckerCloud CEO Spencer Mitchell said "RLI has built a strong reputation for innovation in commercial transportation insurance. We're thrilled to partner with a company that shares our passion for innovation in the transportation insurance industry."

RLI Transportation is a full-service provider of insurance coverage and risk management solutions for truck, public auto and commercial auto customers. Learn more about RLI Transportation at **rlitransportation.com**.
