

**AUDIT COMMITTEE CHARTER
OF
CDW CORPORATION**

Purpose

The purpose of the Audit Committee (the “Committee”) is to represent and assist the Board of Directors (the “Board”) of CDW Corporation (the “Company”) in fulfilling its oversight responsibilities to:

- Monitor the integrity of the Company’s accounting and financial reporting processes and systems of internal controls regarding finance, accounting and legal compliance.
- Monitor the independence and performance of the Company’s independent auditor (the “Independent Auditor”) and oversee the audit of the Company’s financial statements.
- Direct the scope and monitor the performance of the Company’s internal audit function (“Internal Audit”).
- Provide an avenue of communication among the Independent Auditor, management, the coworker or third party provider responsible for leading the Internal Audit function (the “Internal Audit Lead”), the coworker responsible for leading the ethics and compliance function (the “E&C Lead”), the coworker responsible for leading the enterprise risk management function (the “ERM Lead”) and the Board of Directors.
- Otherwise carry out the duties and responsibilities set forth in this Charter and such other responsibilities and duties that the Board may assign.

While the Committee has been given certain duties and responsibilities pursuant to this Charter, the Committee is not responsible for guaranteeing the accuracy of the Company’s financial statements or the quality of the Company’s accounting practices and internal controls. The fundamental responsibility for the Company’s financial statements and disclosures rests with management. The Independent Auditor is responsible for auditing the Company’s financial statements and disclosures. To the extent that procedures included in this Charter go beyond what is required of an audit committee by existing law and regulation, such procedures are meant to serve as guidelines rather than inflexible rules and the Committee is encouraged to adopt such different or additional procedures as it deems necessary from time to time.

Composition of the Committee

The Committee will be comprised of three or more directors, each of whom (i) meets the independence requirements of The Nasdaq Stock Market (“Nasdaq”) and (ii) otherwise satisfies the applicable requirements for audit committee service imposed by the Securities Exchange Act of 1934, as amended (together with the rules and regulations promulgated thereunder, the

“Exchange Act”), and Nasdaq; provided that the Board may elect to take advantage of any exception from such requirements provided in the Nasdaq rules.

At least one member of the Committee will be an “audit committee financial expert” in accordance with the rules of the Securities and Exchange Commission (the “SEC”). The designation or determination by the Board of a person as an audit committee financial expert will not impose on such person individually, on the Committee, or on the Board as a whole, any greater duties, obligations or liability than would exist in the absence of such designation or determination. In addition, each member of the Committee must be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement and cash flow statement, as required by Nasdaq.

No Committee member may have participated in the preparation of the Company’s or any of its subsidiaries’ financial statements at any time during the past three years. Determinations as to whether a particular director satisfies the requirements for membership on the Committee will be made by the Board.

Committee members (i) shall be appointed by the Board on the recommendation of the Nominating and Corporate Governance Committee, (ii) shall serve for such terms as the Board may determine, or until their earlier resignation, death or removal, and (iii) may be removed by the Board in its discretion. If a Committee Chair is not designated or present, the members of the Committee may designate a Chair by majority vote of the Committee membership. The Committee may form, and delegate authority to, subcommittees when it deems appropriate.

Meetings

The Committee is governed by the same rules regarding meetings (including meetings by conference telephone or similar communications equipment), action without meetings, notice, waiver of notice and quorum and voting requirements, as are applicable to the Board. The Committee is authorized and empowered to adopt its own rules of procedure not inconsistent with (i) any provision of this Charter, (ii) any provision of the Amended and Restated Certificate of Incorporation or By-Laws of the Company or (iii) the laws of the State of Delaware. The Committee will maintain copies of minutes of each meeting of the Committee, and each consent to action taken without a meeting, reflecting the actions so authorized or taken by the Committee. A copy of the minutes of each meeting and all consents will be filed with the meeting minutes of the Board.

The Committee shall hold at least four regularly scheduled quarterly meetings and meet more frequently as circumstances dictate. The Committee should meet periodically in executive session with management, the Internal Audit Lead, the Independent Auditor, and as a Committee to discuss any matters that the Committee or each of these groups believes should be discussed.

External Advisers

The Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the Independent Auditor as well as anyone in the organization. The Committee will have the sole authority to obtain, at the Company’s expense but at funding levels determined by the Committee, advice and assistance from outside legal,

accounting or other advisers to assist with the execution of its duties and responsibilities. The Company shall provide appropriate funding for payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties. It is the Committee's intent that communications between the Committee and legal counsel in the course of obtaining legal advice will be considered privileged communications of the Company and the Committee will take reasonable steps to preserve the privileged nature of those communications.
