

SERINA THERAPEUTICS, INC.

WHISTLEBLOWER POLICY

Statement of Policy

SERINA THERAPEUTICS, INC. (the “Company”) is committed to providing a workplace conducive to open discussion of our business practices and is committed to complying with the laws and regulations to which we are subject. Accordingly, the Company will not tolerate conduct that is in violation of such laws and regulations. Each Company employee, including employees of our subsidiaries, is encouraged to promptly report a good faith complaint regarding accounting or auditing matters in accordance with the provisions of this policy. Any other third party, such as vendors, partners, stockholders or competitors also may report, under the procedures provided in this policy, a good faith complaint regarding accounting or auditing matters. To facilitate the reporting of complaints regarding accounting or auditing matters, the Audit Committee of our Board of Directors (the “Audit Committee”) has established procedures for (i) the receipt, retention and treatment of complaints regarding accounting, internal accounting controls, or auditing matters (“Accounting Matters”) and (ii) the confidential, anonymous submission by Company employees of concerns regarding questionable Accounting Matters. To facilitate the reporting of complaints regarding matters other than Accounting Matters that might violate our Code of Business Conduct and Ethics (the “Code”), the Nominating/Corporate Governance Committee of the Board of Directors has established procedures for the confidential, anonymous submission by Company employees of concerns regarding those matters (“Code of Conduct Matters”). This policy is a supplement to the Code and should be read in conjunction with the Code.

Scope of Accounting Matters Covered by Policy

This policy covers complaints relating to Accounting Matters and Code of Conduct Matters, including, without limitation, the following types of conduct:

- fraud, deliberate error or gross negligence or recklessness in the preparation, evaluation, review or audit of any financial statement of the Company;
- fraud, deliberate error or gross negligence or recklessness in the recording and maintaining of financial records of the Company;
- deficiencies in, or noncompliance with, the Company’s internal accounting controls;
- misrepresentation or false statement to management, regulators, the outside auditors or others or by a senior officer, accountant or other employee regarding a matter contained in the financial records, financial reports or audit reports of the Company;
- deviation from full and fair reporting of the Company’s results or financial condition;
or
- violations of law or other violations of the Code.

Policy of Non-Retaliation

It is the Company's policy to comply with all applicable laws that protect our employees, (including the employees of our subsidiaries), against unlawful discrimination or retaliation by us or our agents as a result of their lawfully reporting information regarding, or their participation in, investigations involving Accounting Matters or Code of Conduct Matters. If any employee believes he or she has been subjected to any harassment, threat, demotion, discharge, discrimination or retaliation by the Company or its agents for reporting complaints regarding Accounting Matters or Code of Conduct Matters in accordance with this policy, he or she may file a complaint with our Chief Financial Officer. If it is determined that an employee has experienced any improper employment action in violation of this policy, we endeavor to promptly take appropriate corrective action.

Anonymous Reporting of Complaints

We have also established a procedure under which complaints regarding Accounting Matters and Code of Conduct Matters may be reported anonymously. Employees may anonymously report these concerns to the Company's Whistleblower Hotline provided below or by delivering the complaint via regular mail to the Chief Financial Officer.

The complaint procedure is specifically designed so that employees have a mechanism that allows the employee to bypass a supervisor he or she believes is engaged in prohibited conduct under this policy. Anonymous reports should be factual, instead of speculative or conclusory, and should contain as much specific information as possible to allow the Chief Financial Officer and other persons investigating the report to adequately assess the nature, extent and urgency of the investigation.

Policy for Receiving and Investigating Complaints

Upon receipt of a complaint, the Chief Financial Officer will determine whether the information alleged in the complaint pertains to an Accounting Matter or a Code of Conduct

Matter. The Audit Committee shall be notified promptly of all complaints determined to pertain to an Accounting Matter and the Nominating/Corporate Governance Committee shall be notified promptly of all complaints determined to pertain to Code of Conduct Matters, and the applicable Committee shall determine the planned course of action with respect to the complaint, including determining that an adequate basis exists for commencing an investigation. The Chief Financial Officer will then appoint one or more internal and/or external investigators to promptly and fully investigate each viable claim under the direction and oversight of the Audit Committee or Nominating/Corporate Governance Committee, as applicable, or such other persons as the Audit Committee or Nominating/Corporate Governance Committee determines to be appropriate under the circumstances. The Chief Financial Officer will confidentially inform the reporting person (if his or her identity is known) that the complaint has been received and provide him or her with the name of, and contact information for, the investigator assigned to the claim.

Confidentiality of the employee submitting the complaint will be maintained to the fullest extent possible, consistent with the need to conduct an adequate investigation. In the course of any investigation, the Company may find it necessary to share information with others on a “need to know” basis. If the investigation confirms that a violation has occurred, the Company will promptly take appropriate corrective action with respect to the persons involved, including discipline up to and including termination, and, in appropriate circumstances, referral to governmental authorities, and will also take appropriate steps to correct and remedy any violation.

Retention of Complaints

The Chief Financial Officer will maintain a log of all complaints, tracking their receipt, investigation and resolution, and shall prepare a periodic summary report thereof for each member of the Audit Committee. Each member of the Audit Committee or Nominating/Corporate Governance Committee, as applicable, and, at the discretion of the Chief Financial Officer, other personnel involved in the investigation of complaints, shall have access to the log. Copies of the log and all documents obtained or created in connection with any investigation will be maintained in accordance with our document retention policy.
